THE WORSHIPFUL COMPANY OF PATTENMAKERS

For more information: www.pattenmakers.co.uk

The Dinner for FM and the Built Environment is an annual lively dinner held by the Pattenmakers to celebrate the people, projects, concepts and innovations leading the way in property and facilities management.

Although the footwear industry represents the traditional trade heritage of the Pattenmakers, the Company is also home to a thriving community of professionals from the FM and Built Environment sector.

The Pattenmakers Charitable Foundation raises funds each year to provide financial and practical aid to a portfolio of good causes.

Through our fundraising activities and common purpose we make available grants, bursaries and awards, providing support and assistance to our trades, future leaders and to the youth in our city, as well as to our military affiliations.

Keynote Address by:

Paul May - Chair & Co founder of Trivandi.

Chair and Co-founder of Trivandi, with more than 30 years' of experience in the planning, delivery and operation of complex projects in the mega-events and venues sectors. Since 2013 Paul has been focussed on building and growing Trivandi's global business – this has included providing strategic advice to a wide array of domestic and international clients and leading high-performing teams on complex projects.

Paul is a Chartered Surveyor and his track record covers numerous high profile projects, including the Olympic and Paralympics Games for London 2012, Rio 2016 and Tokyo 2020 and Paris 2024.

As a member of the senior team within LOCOG, Paul spent 7 years as Head of

Venue Development for the London 2012 Olympic & Paralympic Games. He successfully led a large multi-disciplinary team in the planning and delivery of the largest temporary venue portfolio ever delivered for a major world event.

He was a member of the LOCOG Venues and Infrastructure leadership team and played a key role in the strategic planning for London 2012.

Trivandi will also provide a unique and insightful pre-dinner presentation on what it takes to facilitate the operations at this years 2026 Common Wealth Games being hosted in Glasgow.

Join us for what will be a fantastic insight in managing a mega project of this nature.

We look forward to welcoming you

Painter-Stainers' Hall

The earliest reference to the property is dated 1375, citing a building between Hoggen Lane and Trinity Lane, and it was this property, probably a Medieval timber framed building that was acquired in 1504 for £30 by John Browne and conveyed to a number of his brother Paynter-Stayners in 1532, and was first described as "Paynters' Hall" in 1549
