

Chorus Contest Entry Fee Structure September 2025

We propose to maintain the per-group fee for contest entry for the 2026 contest cycle. We have sought feedback and propose to increase the granularity of the bands to take into account the wide range of chorus sizes .

Proposed fee levels are as shown below

Choruses	£ per group
Low - 20	£ 75
21-30	£ 125
31-40	£ 175
41-50	£ 225
51-60	£ 275
61-70	£ 325
71-80	£ 375
81-90	£ 425
91-100	£ 475
101+ increase at same rate	£ 525

This maintains revenue at a similar level in 2025-6 from 2024-5

Benefits:

- Increased fairness.

Notes:

- Clubs must ensure that these amounts are paid by income where gift aid has not been claimed.
- If a Chorus slightly increases or decreases in size and this would affect the Chorus size banding, the originally stated banding, at the time of registration, will remain in place. This avoids late recharges/refunds and further lessens administrative work. Material changes such as mergers may warrant a cost revision.

Quartet Contest Entry Fee Structure September 2025

£40 per quartet (entry into preliminary competition and Sing2026 in person)
£20 per quartet (entry into preliminary competition and Sing2026 via video submission)

The in person preliminary competition will include coaching on the second day of the event.

This maintains revenue at a similar level in 2025-6 from 2024-5
