Scope

- (a) These rules apply to all British Association of Barbershop Singers (BABS) contests.
- (b) In general these rules apply to quartet and chorus contests, the word "contestant" being used to denote either a quartet or chorus. Where the word "quartet" or "chorus" is used, that rule shall be specific to that type of contest. Such rules are identified by the letter Q or C, as appropriate.
- (c) Where rules make reference to gender, 'male' is defined as any individual who, wherever possible and recognisably, lives their life as a male person, and 'female' is defined as any individual who, wherever possible and recognisably, lives their life as a female person.

Paragraphs in italics are for guidance of contestants and do not form part of the Contest Rules.

Article 2

- (e) **Q** At the end of the Final Contest, the placing of quartets shall be computed by the combined scores obtained in the Semi-Final and Final Contests. Contestants placed first, second and third shall be designated Medallists, whilst the remaining contestants appearing in the Final shall be recognised as Finalists.
- (f) **C** Following any Preliminary Contests, choruses shall be judged in only one stage, this being called the Final of the Male Chorus Contest or the Final of the Mixed Chorus Contest.

Quartet members who are not full members of BABS should check their eligibility to compete with the BABS Director of Administration or BABS Membership Secretary.

- (c) Q A quartet winning the National Quartet Contest, Seniors Quartet Contest or the Youth Quartet Contest shall not recontest in that contest. A champion quartet shall be defined as containing more than two members from the original personnel of the quartet that won, regardless of any name change.

A competing quartet may not contain more than two members of another quartet in the same contest.
- (e) Q A novice quartet consists of any quartet which contains no more than two members who have previously competed together in a BABS quartet contest (Preliminary or Semi-Final) and contains no more than one member who has previously competed in a BABS Quartet Final. Seniors quartets are not eligible.
- (f) Q Professional quartets may not enter.
- (g) C Each registered BABS club may enter only one Male Chorus and/or one Mixed Chorus contest in a given year. Each chorus shall consist of fully paid up BABS members of that club. Singers may compete with more than one club. For the Mixed Chorus Contest, female singers already registered as members of LABBS will be granted free-of-charge BABS membership for the purposes of singing in a BABS club's mixed chorus. LABBS membership or paid BABS membership must be current at the time of contest. Competing chorus members shall be registered with the BABS Membership Secretary no less than 28 days before the contest.

- (l) C A club winning a BABS Chorus Contest shall not compete in the equivalent competition the following year.
- (m) C Don Amos members may not compete in BABS Chorus Contests. They must be full members of the club they are representing.

- (n) C In the Mixed Chorus Contest a chorus is considered mixed if more than one gender is represented.
- (o) Violation of any of the eligibility articles (7(a) to 7(n)) will be penalised under Article 15.

Article 8

Entry To Contest And Provision Of Contest Rules

- (a) Entry shall be made on the appropriate online form by the published closing date.
- (b) Late entries may be accepted in exceptional circumstances, at the discretion of the relevant Contest Manager and shall sing in a draw position to be determined by the relevant Contest Manager.
- (c) Copies of the current Contest Rules can be obtained from the C&JT website.

Article 9

Order Of Appearance On Stage

- (a) Contestants shall sing in the order in which their names are drawn by the Chair of the C&JT or their appointee, except as allowed in Articles 8(b) and 10.
- (b) Violation of Article 9(a) will be penalised under Article 15.

Article 10

Penalties for Tardiness

Any contestant failing to perform in the assigned order of appearance shall, unless there are exceptional circumstances, be penalised. The penalty will be 15 points on a single panel of judges, 30 points on a double panel, 45 points on a triple panel etc. The Chair of Judges shall have the power to waive the penalty where the situation that has arisen to cause the tardiness is clearly outside the control of the contestant. The Chair of Judges shall permit such contestant(s) to appear where minimum inconvenience is caused to other contestants.

Article 11

Contest Material

- (a) A song performed in contest must not be primarily patriotic nor primarily religious in intent. Where there is reasonable doubt that the performance would meet the criteria of being primarily Religious or Primarily Patriotic, benefit must go to the performer and no penalty is justified. Otherwise the Performance judge shall apply a penalty up to and including forfeiture (*See Performance Category Description and Position Papers*)
- (b) A song performed in contest must be in good taste. Songs or actions by a contestant that are not "in good taste" will be penalised up to and including forfeiture. (*See Performance Category Description and Position Paper 3*)
- (c) The melody and implied harmony must be consistent with the barbershop style. All songs performed in contest must be arranged in the barbershop style, which is an unaccompanied vocal style of music. Songs must be sung without any kind of musical accompaniment and without instrumental introduction, interlude, or conclusion. Disregard of this article may result in points reduction or forfeiture by one or more judges, as explained in the BABS Judging Reference Book.
- (d) A song's melody should be present and distinguishable and is most consistently sung by the lead, with the tenor harmonizing above the melody, the bass singing the lowest harmonizing notes, and the baritone completing the chord. Excessive passages with the melody not in an inside voice will result in penalties up to and including forfeiture by the Musicianship judge(s) only.
- (e) Lyrics should be sung by all four parts through most of the song's duration. Excessive passages without words in all four parts will result in penalties up to and including forfeiture by the Musicianship judge(s) only.
- (f) Songs not consistent with the barbershop style for any other musical reason (including characteristic chord progressions featuring dominant seventh and ninth chords resolving

around the circle of fifths, harmonic richness, chord vocabulary or lack of homorhythmic texture) will be adjudicated in terms of the quality of the performance by the Musicality judge(s). Songs lacking these stylistic characteristics will score lower holistically.

Contestants are referred to the BABS Judging Reference Book or to any qualified member of the **Musicality Category** for a detailed explanation of the Barbershop style and suitability of a song.

- (g) Gestures or visual presentation by any contestant that are deemed suggestive, vulgar or otherwise not in good taste will result in a lower score up to forfeiture by the Performance judge. In addition, the performance may be stopped by the Contest Administrator. (See Position Paper 3)
- (h) Performers must not utilise others outside of the members of the performing group to enhance the effectiveness of the performance. If this is evident, and not a reflection of some spontaneous reaction by members of the audience, then the Performance judge shall apply a penalty up to and including forfeiture.
- (i) In chorus contests, selected use of a soloist, duet, trio or quartet is acceptable providing it is brief and appropriate. At no time should the musical texture exceed four parts. Any difficulty in understanding a song (whether due to language or otherwise) reduces a judge's scope for rewarding the performance.
- (j) Contestants must comply with copyright laws in the acquisition, arranging and learning of songs for contest performance.

Article 12

Number of Songs

- (a) At each stage of the contest, including the Preliminary Contest, contestants shall sing two songs, either or both of which may be a medley.
- (b) **Q** Taking the Semi-Final and Final Contests as a whole, no song (including constituent songs of a medley) may be sung more than once. The title of every song, including the constituent songs of a medley, shall be recorded.
This rule is not intended to bar the use of musical quotes. Material sung at a Preliminary Contest may be repeated at a later stage.
- (k) **C** No song, including constituent songs of a medley, may be sung more than once.
This rule is not intended to bar the use of musical quotes. Material sung at a Preliminary Contest may be repeated at a later stage.
- (l) Musicality judges may apply a penalty up to and including forfeiture for any violations of Article 12.

Article 13

Scoring Categories

Judging of contestants' performance will be carried out in three categories: Musicality, Performance and Singing. Each category may use up to a maximum of 100 points per song per judge.

For the criteria being judged refer to the current BABS Category Descriptions from the C&JT website.

Article 14

Sound Equipment and Stage Effects

- (a) Contestants may not use their own or additional in-house electronic amplification, sound producing equipment or stage lighting.
Establishment of pitch using an electronic pitch pipe is permissible.
- (b) Contestants may use props, but they should be limited to those which can be easily carried on and off stage by one person.
Any queries with regard to props should be referred to the Quartet or Chorus Contest Manager prior to the event.
- (c) Contestants should leave the stage in the same good condition as they would wish to find it for their own performance and props should be chosen accordingly. Anything that can be quickly cleared by a stage hand is acceptable. Confetti and similar small material that requires extensive clean-up is banned from use in both chorus and quartet contests. Other

materials which are difficult to clean-up (requiring mops, brooms, vacuum cleaners, etc.) are strongly discouraged from the stage.

Any queries with regard to props should be referred to the Quartet or Chorus Contest Manager prior to the event.

- (d) A chorus may request the use of a provided stage microphone during a performance for an announcer, as provided by Rule 16. Written notice of such requirement must be given to the Contest Manager no less than 30 days before the contest. Such microphones shall be turned off at all other times.
Microphones used for announcements are normally not switched on during a performance.
- (e) Any effects used on stage which make loud or sudden noises must be declared in advance to the appropriate Contest Manager with specific details of where the effect will occur.
- (f) Violation of Article 14 will be penalised under Article 15.

Article 15

Disqualification

The Chair of Judges shall be responsible for penalising violations of Articles 7, 9 and 14. The Musicality judge may award disqualification under Rule 12. Such contestants shall receive no score and shall not appear on the official scoring summary, except by way of a note using the wording

"Contestant.....disqualified: Violation of Article....."

Article 16

Verbal Comment

Non singing dialogue is generally not part of a contest performance. However, relevant **brief comment** with supporting visual communications are permitted, to help establish the mood and/or theme, before, in between and at the end of the performance package. Spoken words deemed to be excessive or detrimental to the performance are adjudicated in terms of the quality of the performance, but are not subject to penalty of forfeiture.

Article 17

Disturbances during Contests

Should any event occur which, in the opinion of the Chair of Judges, adversely affects the contestant, such contestant shall be offered the chance to sing again after the last contestant has finished and at least fifteen minutes after the disturbed contestant has left the stage. The contestant shall be given a reasonable period of time to make a decision. If the contestant accepts the offer, the scores from the first performance will be discarded and the contestant will be judged on the second performance.

Article 18

Ranking of Contestants

- (a) Contestants shall be ranked in accordance with the total score of points awarded by the judges.
- (b) If two or more contestants are awarded the same total score, including all previous rounds except Preliminary Contests, ties will only be broken for 1st, 2nd and 3rd places in Finals. The method used for breaking ties will be:
 - 1) The highest total score awarded by the Singing Judges will be ranked as the "Tie-break" and that contestant will be ranked above the other(s) in the tie.
 - 2) If a tie still exists the highest total score awarded by the Performance Judges will be ranked as the "Tie-break" and that contestant will be ranked above the other(s) in the tie.
 - 3) If the tie is still not broken the following shall apply: The "Tie-break" shall be the highest total score at the Preliminary contest. If the tie continues unbroken the Singing score at the Preliminary contest shall be the "Tie-break" and if still not broken the Performance score at the Preliminary contest shall be used.

- 4) In the event where a tie cannot be broken for 1st, 2nd or 3rd place, joint medallist status will be awarded
- (c) Total scores for 4th place and below will be ranked as equal placing. At Preliminary contests ties will be ranked as equal placing and if there is a tie at the cut-off for the Semi-Finals or Finals contest, all tied contestants will go through.

Where there have been no qualifying Preliminary rounds, it may be necessary, if the above procedures result in a tie, where only one can go forward to a Society contest, for a draw to be held to determine which group is given first refusal to go to that contest. Such a draw would have no effect on the status of the groups concerned.

Article 19

Publication of Results

At all BABS contests, results shall be made known by the Chair of Judges or an appointed nominee for each stage, as follows:

- (a) An Official Scoring Summary shall be displayed at the contest site, showing the score per category and per song; details of any penalties or disqualification by the Chair of Judges, including the Article number violated; details of any ties; and the names of the Judging Panel.
- (b) The scores obtained by the Finalist Quartets in the Semi-Finals shall be held over for publication after the Final.
- (c) There shall be no public announcement at the venue of penalties and disqualifications. *Publication of a full report detailing penalties and forfeitures will be available on the website in a suitable time frame after the contest.*
- (m) Following the public announcement and publication of results to the satisfaction of the Chair of Judges, there can be no change to rankings or scores.
