

GEORGE STILL FORUM

National Paediatric ADHD Network Group

THE 21st ANNUAL SCIENTIFIC MEETING 2026

MASTERCLASS IN ADHD IN CHILDREN

24TH SEPTEMBER 2026

The Cleremont Hotel, Charing Cross,
The Strand, London, WC2N 5HX

Aim

- To provide high-quality, evidence-based continuing professional development (CPD) in the assessment and management of ADHD for doctors, nurses, and other healthcare professionals working within ADHD services across the country.

Objectives

- Enhance participants' knowledge and understanding of ADHD assessment, diagnosis, and management.
- Improve clinical competence through evidence-based teaching and discussion of current best practice.
- Update delegates on national guidance, emerging evidence, and developments in ADHD care.
- Promote safe, effective, and person-centred clinical practice.
- Increase awareness of developments in neurodiversity that are relevant to contemporary clinical practice.
