BAPM ANNUAL CONFERENCE

Monday 11th - Tuesday 12th September 2023

PROGRAMME

Day 1: Monday 11th September 2023

08:15 - 08:55	Registration, Refreshments & Exhibition	
08:55 - 09:00	Welcome to Day 1	
09:00 - 09:40	Paediatric surgery GIRFT national report	Dr Simon Kenny, Consultant Paediatric Surgeon and GIRFT Lead for Paediatric General Surgery and Urology, Alder Hey Children's NHS Foundation Trust, Liverpool, UK
09:40 - 10:15	Provision of surgical intervention on the NICU	Dr Frances O'Brien, Consultant Neonatologist, Oxford University Hospitals NHS Foundation Trust, UK Dr Arnwald Choi, Consultant Paediatric Anaesthetist, John Radcliffe Hospital, Oxford University Hospitals, NHS Foundation Trust, UK
10:15 - 10:55	In utero surgery for spina bifida– maintaining perspective	Mr Zubair Tahir, Consultant Paediatric Neurosurgeon, Great Ormond Street Children Hospital, London, UK
10:55 - 11:25	Refreshment Break, Exhibition & Poster Display	
11:25 - 11:45	Chiesi Sponsored session - When should we treat with surfactant? This presentation may contain promotional content	Dr David Sweet, Consultant Neonatologist, Royal Maternity Hospital, Belfast, UK
11:45 – 12:25	Bronchopulmonary dysplasia and long term ventilation – where we were and where we are	Dr Reena Bhat, Consultant Neonatologist, University College London Hospital, UK
12:25 - 12:55	Feeding and non-invasive respiratory support in neonatal care	Ms Rebecca Murphy, Clinical Lead Neonatal Speech & Language Therapist, Kings College Hospital, London, UK
12:55 - 14:00	Lunch, Exhibition & Poster Display	
14:00 - 14:40	Option 1 (Live only) Workshop: Teaching critical communication skills - A framework for preterm antenatal counselling	Dr Katherine Wood, Consultant Neonatologist, Luton & Dunstable Hospital, UK Professor Dominic Wilkinson, Professor of Medical Ethics, Oxford Uehiro Centre, University of Oxford Consultant Neonatologist, John Radcliffe Hospital, Oxford, UK
14:00 - 14:40	Option 2 (Live only) Debate: Should we be using sodium bicarb?	Dr Stephen Wardle, Consultant Neonatologist, Nottingham University Hospitals, UK Dr Kevin Ives, Consultant Neonatologist & Honorary Senior Clinical Lecturer in Paediatrics, Oxford University Hospitals NHS Foundation Trust, UK
14:45 - 15:20	Infusions in intensive care	Dr Patrick Davies, Consultant Paediatric Intensive Care, Nottingham Children's Hospital, UK
15:20 - 15:50	Refreshment Break, Exhibition & Poster Display	
15:50 - 16:10	Alexion Sponsored session - Antenatal manifestations suggestive of a metabolic disorder – hypophosphatasia This presentation may contain promotional content	Dr Amaka Offiah, Professor in Paediatric Musculoskeletal Imaging and Consultant Paediatric Radiologist, The University of Sheffield and Sheffield Children's NHS Foundation Trust, UK
16:10 - 16:45	Early intervention after neonatal stroke	Dr Anna Basu, Clinical Senior Lecturer & Honorary Consultant Paediatric Neurologist, Newcastle upon Tyne Hospitals NHS Foundation Trust & Newcastle University, UK
16:45 - 17:20	EI SMART - a paradigm shift in relational practice	Dr Mari Viviers, Clinical Lead: Speech & Language Therapy - Paediatrics, Imperial College Healthcare NHS Foundation Trust, St Mary's Hospital, London, UK
17:25 - 18:00	ВАРМ АGM	
20:00 - LATE	BAPM Annual Conference Dinner at Butlers Balti Res	taurant

PROGRAMME

Day 2: Tuesday 12th September 2023

Balao - Baska Versite State Option 1 (Live Only) - Learning with & from each other Physical Constraint Research And Presser Pressor P		Registration, Refreshments, Exhibition & Poster Display	
06:00 - 06:45 Improving neantal meldines safety through of the Division of Neonatology, Maternité Régionale Universitaire, Maternité Citer Régionale, Maternité Régionale Universitaire, Maternité Citer Régionale, Maternité Régionale Universitaire, Maternité Citer Régionale, Maternité Régionale Universitaire, Maternité Régionale Universite Région Régione Régionale Universite Régionale Universite Régionale Uni	08:00 - 08:45	Breakfast Option 1 (Live Only) Workshop: NeoTRIPS maternal breast milk QI launch - Learning with & from each other	Dr Chantelle Tomlinson, Consultant Neonatologist, QI Lead for NeoTRIPS collaborative, Nottingham University Hospitals, UK
09:00 - 09:40 The Peter Dunn Lecture: Maternity & neonatal Dr Bill Kirkup CBE, Independent Investigator, UK 09:40 - 10:05 Reading the signals – Maternity & neonatal Dr Bill Kirkup CBE, Independent Investigator, UK 09:40 - 10:05 Optimising perinatal safety culture & perinatal team Dr. Kirkup CBE, Independent Investigator, UK 10:05 - 10:30 Optimising perinatal safety culture & perinatal team Dr. Nan Johns, Obstetrician, The Royal Walverhampton NHS Trust, Walverhampton NHS Trust, Kirkup CBE, Independent Investigator, UK 10:30 - 11:00 Refreshment Break, Exhibition & Poster Display Dr. Nanasimita Rao, Consultant Paediatrician, North Midlands 11:20 - 11:20 A Collaborative Approach to RSV Prevention regenee to Anteromy Consultant Neonatologist, Bradford Royal Infirmary, eupport Yu Dr. Sam Oddic, Consultant Neonatologist, Bradford Royal Infirmary, UK 11:20 - 11:55 Bate for inprovement & data for assurance How support Yu Dr. Sam Oddic, Consultant Neonatologist, Bradford Royal Infirmary, UK 11:25 - 12:35 Founders Lecture - Should we all be using early bydrocortisone use Professor, Olivier Baud. Neonatologist, Höpitaux Universitaires de Genéve, Switzerland 12:35 - 12:45 Annual Photograph Dr. Kristina Chenglova, Research And Neonatol Tuoux Universitaires de Genéve, Switzerland 12:34 - 14:20 BAPM Awards Dr. Anna Howells, Registrar	08:00 - 08:45	Improving neonatal medicines safety through	of the Division of Neonatology, Maternité Régionale Universitaire,
OBJOURD 123/00 reviews in the NHS OF BIN KINADUCE: IndepEndent Intrestrugation, OK. 09:40 - 10:05 Reading the signals – Maternity & neonatal clonburgh, NHS Lothiah, UK Dr. Fille Murdoch, Consultant Neonatologist, Royal Infirmary of clonburgh, NHS Lothiah, UK 10:05 - 10:30 Optimising perinatal safety culture & perinatal team Working Dr. Nina Johns, Obstetrician, The Royal Wolverhampton NHS Trust. 10:30 - 11:20 A Collaborative Approach to RSV Prevention Theis a genometiant synonymous synonymouth and the synonymouth and synonymouth and the synonymouth a	08:55 - 09:00	Welcome to Day 2	
Oston Lottomes Edinburgh, NHS Lothian, UK 10.05 10.30 Optimising perinatal safety culture & perinatal team working Dr. Nina Johns, Obstetrician, The Royal Wolverhampton NHS Trust, US 2011200 10.00 11:00 Refreshment Break, Exhibition & Poster Display Dr. Narasimha Rao, Consultant Paceliatrician, North Midlands Proster US 2011200 11:00 11:00 A Collaborative Approach to RSV Prevention This is a promore & data for assurance: How National Noraal Audit programme reporting can avershift Academic Health Science Network), Cambridge, UK 11:20 11:55 12:35 Founders Lecture - Should we all be using early hydrocortisone use early hydrocortisone use early hydrocortisone use and y hydrocortisone use and upplant patient levels on door function for preterm infants: a qualitative study exploring maternal views on door function in the neopatial grand preterior provid licens and preterior provid licens and yeas of referats for Hypoxic Trust, UK Dr Kristina Chmelova, Research And Neonstal Transport Fellow, Trust, UK 14:30 14:40 A etrospective analysis of referats for Hypoxic preto in England and Wydes Dr Anna Howells, Registrar, King's College Hospital, London, UK 14:30 Incidence	09:00 - 09:40		Dr Bill Kirkup CBE, Independent Investigator, UK
10:00 10:00 working UK 10:30 - 11:00 Refreshment Break, Exhibition & Poster Display Dr. Narasimila Rao, Consultant Paediatrician, North Midlands 11:00 - 11:20 A Collaborative Approach to RSV Prevention metric aromational sympation populate and explained by Asta Caucea Dr. Narasimila Rao, Consultant Paediatrician, North Midlands 11:20 - 11:25 Data for improvement & data for assurance: How National Neonatal Audit programme reporting can with control and provement & data for assurance: How Mational Neonatal Audit programme reporting can with the Noracital Audit programme reporting can with Natocortisone? Short & long term outcomes from early hydrocortisone use Dr Sam Oddle, Consultant Neonatologist, Bradford Royal Infirmary. UK 11:55 - 12:35 Natoral Neonatal Caucity Programme reporting can with Nydrocortisone use Professor Olivier Baud, Neonatologist, Hôpitaux Universitaires de Genève, Switzerland 12:35 - 12:45 Annual Photograph	09:40 - 10:05		Dr Edile Murdoch, Consultant Neonatologist, Royal Infirmary of Edinburgh, NHS Lothian, UK
11:00 - 11:20 A. Collaborative Approach to RSV Prevention organised by AntzAneca Dr. Narasimha Rao, Consultant Paediatrician, North Midlands Hospital, UK and an Narwa, FRCN Maternity Clinical Improvement Lead, Eastern AMSN [Academic Health Science Network], Cambridge, UK 11:20 - 11:55 Data for improvement & data for assurance: How support you Dr. Sam Oddie, Consultant Neonatologist, Bradford Royal Infirmary, UK 11:55 - 12:35 Founders Lecture - Should we all be using early withorcortisone: Short & long term outcomes from early hydrocortisone use Professor Olivier Baud, Neonatologist, Höpitaux Universitaires de early hydrocortisone use 12:35 - 12:45 Annual Photograph Eunch, Exhibition & Poster Walk 13:45 - 14:20 BAPM Awards Professor Olivier Baud, Neonatologist, Höpitaux Universitaires de eaver hydrocortisone use 14:20 - 14:30 Complex intervention for preterm infants: a qualificity estudy exploring maternal views on donor human milk Dr. Kristina Chmelova, Research And Neonatal Transport Fellow, Royal Victoria Infirmary, Newcastle Upon Tyne Hospitals Foundation Trust, UK 14:30 - 14:40 Aretrospective analysis of referrals for Hypoxic Challenge Testing in Children Born Preterm babeise bor less than 3, 20 weeks over a nine-year period in England and Wales Dr. Jennifer Peterson, Neonatal Clinical Research Fellow, Imperial college Honou, UK 14:40 - 14:50 Incidence of congenital cardiae anomalies requiring metrofising enterocolitis and survival in preterm paperiod in England and Wales <t< td=""><td>10:05 - 10:30</td><td></td><td>Dr Nina Johns, Obstetrician, The Royal Wolverhampton NHS Trust, UK</td></t<>	10:05 - 10:30		Dr Nina Johns, Obstetrician, The Royal Wolverhampton NHS Trust, UK
The is a promotional symposium sponsored and organised by AstraZoneca Hospital Tendal Xirawa, FRCN Maternity Clinical Improvement Lead, Eastern AHSN (Academic Health Science Network), Cambridge, UK 11:20 - 11:55 Data for improvement & data for assurance: How support you Dr Sam Oddie, Consultant Neonatologist, Bradford Royal Infirmary, UK 11:55 - 12:35 Founders Lecture - Should we all be using early hydrocortisone? Short & long term outcomes from early Hydrocortisone? Short & long term outcomes from early Hydrocortisone? Short & long term outcomes from Professor Olivier Baud, Neonatologist, Hôpitaux Universitaires de Genève, Switzerland 12:45 - 12:45 Annual Photograph Improvement (Eastern - early Hydrocortisone) Improvement (Eastern - early Hydrocortisone) 12:45 - 13:45 Lunch, Exhibition & Poster Walk Improvement (Eastern - early Hydrocortisone) Improvement (Eastern - Genève, Switzerland) 14:20 - 14:20 BAPM Awards Improvement (Eastern - Hydrocortisone) Improvement (Eastern - Genève, Switzerland) 14:30 - 14:40 Aretrospective analysis of referrals for Hypoxic hydrocortisone of congenital cardiac anomalies requiring intervention in the engenital periodi, rates of microgential cardia cardiac anomalies requiring period in England and Wales Dr Anna Howells, Registrar, King's College Hospital, London, UK 14:40 - 14:50 Incidence of congenital cardiac anomalies requiring intervention in the england and Wales Dr Behrouz Nezzafat Maldonado, Academic Cli	10:30 - 11:00	Refreshment Break, Exhibition & Poster Display	
11:20 - 11:55 National Neonatal Audit programme reporting can support you UK sum Oudle, Curisdualit Rechardongist, Bladiol Reveal Internative, Support You 11:55 - 12:35 Founders Lecture - Should we all be using early hydrocortisone? Short & long term outcomes from early hydrocortisone use 12:35 - 12:45 Annual Photograph 12:45 - 13:45 Lunch, Exhibition & Poster Walk 13:45 - 14:20 BAPM Awards 14:20 - 14:30 Complex intervention for preterm infants: a qualificative study exploring maternal views on donor hydrotical Keystal Victoria Infirmary, Newcastle Upon Tyne Hospitals Foundation Trust, UK 14:30 - 14:40 Aretrospective analysis of referrats for Hypoxic Dr Anna Howells, Registrar, King's College Hospital, London, UK 14:40 - 14:50 Incidence of congenital cardiac anomalies requiring intervention in the neonatal periodi, rates of congenital cardiac anomalies requiring babies born less than 32 weeks over a nine-year period in England and Wales Dr Jennifer Peterson, Neonatal Clinical Research Fellow, Manchester University NHS Foundation Trust, UK 14:40 - 15:00 The perivable pre-birth conversation; A survey weeks in England and Wales 2013-2018 Dr Jennifer Peterson, Neonatal Clinical Research Fellow, Manchester Uni	11:00 - 11:20	This is a promotional symposium sponsored and	Hospital, UK
