

Praying with Boaz in November

Praise Points

- Give thanks for several people who have moved into Boaz houses recently. One of the people now accommodated by Boaz had been waiting for a year - pray for him particularly as he settles in and begins to recover.
- Praise God for a new volunteer working with our support team to help plan Women's Wellbeing Sessions and work on a new welcome pack for people moving into Boaz accommodation.
- We're so thankful for God's faithfulness to us in the form of our generous supporting churches. Praise God for the food and financial donations we've received this harvest from South Chad Methodist, St Mark's & St Peter's Levenshulme, St Mary's Ashton-on-Mersey, St Anne's Sale, St Alban's Broadheath and Bramhall Methodist.
- Give thanks that someone we've been supporting through the Refugee Homelessness Prevention Project has been able to move into social housing! Despite having very little, he offered our support workers such hospitality and welcome when they visited him in his new home.
- Give thanks for our partnership with Greater Manchester Immigration Aid Unit and the expertise, skills and tenacity of the caseworkers who work with people in Boaz accommodation on their legal cases.
- Praise God for a successful application for some grant funding that was confirmed recently. Pray that more people will be able to benefit from Boaz housing and support as a result of this funding.

Prayer Points

- Pray for people who are moving into Boaz accommodation this week. Pray for a sense of peace and security for them as they settle in and for good relationships with others living in the houses.
- Pray for wisdom and clarity in the recruitment process for two new roles with Boaz - an [Empowerment & Inclusion Coordinator](#) and a Head of Accommodation. Ask that the right people join the team to help us do even more to end destitution among people seeking safety in the UK.
- Pray for all the preparations taking place for [Family Night](#), coming up on Monday 9th December, 6.30-8.30pm. Pray that many would attend this special event as we mark 20 years of Boaz and show our new Christmas film on the big screen. We'd love to see you there - sign up for free via Eventbrite [here](#).

- Pray for productive and fruitful upcoming meetings with MPs. Pray for open and honest communication on both sides and for MPs to understand the system changing work that needs to be done to see destitution designed out of our immigration system.
- Continue to pray for the Together With Refugees 'Fair Begins Here' campaign to see the new government commit to a fair new plan for people seeking safety in the UK. If you'd like to find out more about engaging your local MP in the call for fairness in our asylum system, sign up to the Together With Refugees online event happening on 11th November 5-6.30pm [here](#).
