# Suzuki Flute & Recorder Summer School

**The Suzuki Summer School** provides an extraordinary opportunity for parents, children and teachers to become energised and motivated, within a unique learning situation.

*St George's School*

Children of all ages come together from many parts of Europe, from Iceland and even as far afield as South America. St George's offers excellent facilities in a really delightful setting.

Summer School is a family affair, and there is plenty of free time around the programmed activities to make the most of Harpenden and surrounding area. It is the high point of the Suzuki year, and having been to one Summer School, most families return again and again.

The week is brimming with a fulfilling mix of concentrated work, exhilarating fun, new friendships, group and solo performances, and holiday activities. It cannot be overstressed how important Summer School can be to youngsters – musically, socially and in building their confidence.

## SUZUKI FLUTES & RECORDERS in Hertfordshire

We are delighted to invite teachers, children and parents to attend the 2026 International Suzuki Flute & Recorder Summer School at St George's School in Harpenden, UK.

St George's ([stgeorges.herts.sch.uk](http://stgeorges.herts.sch.uk)) is a day and boarding school situated in Harpenden, Hertfordshire. It will be home to our combined Suzuki Flute and Recorder Summer School, where teachers and students can meet to broaden their experience of the Suzuki repertoire and share opportunities for great music-making.

## THE STUDENT COURSE

Students who have studied the Suzuki flute or Suzuki recorder repertoire are invited to join us for four fun-filled days of masterclasses, group lessons, repertoire classes, consort/ensemble playing and daily concerts. The course begins on 29th July with a play-together at 5pm, followed by dinner and a concert, and finishes after lunch on 2nd August.

There will be student solo concerts during the course, and on Saturday evening there will be a public concert in the school chapel. All repertoire should be committed to memory. Students must submit their concert piece on applying for the course, so the programmes can be balanced in advance. To help the students perform with confidence to the very highest standard, please ensure this piece is at a good performance standard *at the time of submission*, as it cannot be changed at a later date. It should not be the same piece as chosen for the masterclass.

We are hiring the badminton courts on Friday evening for anyone who is interested. All equipment is provided, so remember to pack your shorts if you want to join in!

Thursday evening will be 'talent show' time, and there will be a party after the concert on Saturday.

Please look out for the latest announcements in your email inbox

## LOCAL AREA

Each afternoon you will have some free time to relax before the concerts and evening activities. Harpenden has lots on offer for families, including open spaces and a high street full of interesting shops, all within walking distance of the school.

Rothamsted Park is in the heart of the town. It is a beautiful green space with something for everyone to enjoy. There is a fabulous children's play area which is designed with a nature theme, and three areas that cater to different age groups. It is also home to Harpenden's leisure centre, swimming pool and theatre.

## ADVANCE INFORMATION
