LOWER NO LONGER

Join us for an insightful morning to include networking opportunities around three sessions focussing on:

- **The macro view - Keynote Speaker**
- **A panel discussion on capital markets and implications for real estate and real estate credit**
Capital allocations and flows, investor appetite, requirements and preferences
- **A panel discussion on the real estate market through a credit lens**
The price discovery process, refinancing challenges and gap funding opportunities, expectations across geographies and sectors
- **We expect the panel sessions to include short presentations of relevant data, analysis or research**

KEYNOTE – Harriet Hart-Fox

Harriet Hart-Fox leads the Morgan Stanley Macro Client Advisory Business in Europe. Her team work to articulate key investment views and identify broader macro structural themes in markets.

She provides in-depth and timely insights alongside tradeable solutions where appropriate. Prior to this, she worked for a decade in our Fixed Income Sales Teams both Interest Rates and Credit Derivatives.

Harriet holds a BA (Hons) from Cambridge University in Economics, last year completed the Programme for Leadership Development at Harvard Business School and is a former Trustee on the Board of West Kent Mind, the Mental Health Charity.
