

Cannabis Trade Association - Trading Standards update

FREE Live Webinar

21st May 2021

10am - 11am

Novel Foods – What Now? How to engage with the Regulators!

We are hosting a live online panel event in collaboration with the Cannabis Trade Association, 3 Paper Buildings and KFP Consulting.

With the FSA still not providing a definitive list of those CBD suppliers / producers who have achieved validation of their novel foods application, the panel will explore various scenarios and how best to engaging with the Foods Standard Agency and Trading Standards.

During the Webinar our panel will explore your questions. Please feel free to send them to us in advance or on the day during the event.

Event summary:

- Novel Foods Update
- What if my novel Foods Application has not been validated?
- Enforcing the Regime: What happens when things go wrong?
- What is Trading Standards – the structure and functions.
- The 5 “P’s” of regulation – place, product, person, policy/principles and process
- The balance between local and national priorities.
- How to engage better with regulators.
- How do businesses get further support?
