

DAMA Ireland

DAMA Ireland's Purpose, Vision, Mission and

Purpose

- **DAMA Ireland** is a not-for-profit, vendor-independent, association of technical and business professionals dedicated to advancing the concepts and practices of information and data management.

Vision

- **Our vision** is to be an essential resource to those who engage in information and data management.

Mission

- **Our mission is** to promote the understanding, development and practice of managing data and information as key enterprise assets to support Irish Organisations and Irish based multi-national organisations.

Aims

- To host pertinent, purposeful useful and educational events and discussions on data management
- To form alliances with other organizations with similar principles to strengthen the profession
- To help and support Irish companies be AI ready and work towards Ireland becoming a global hub for Data Management and Data Governance best practice
