

WSWSHG presents:

# HOMEOPATHY FOR THE ELDERLY

## A talk and discussion with **ALIZE W. TIMMERMAN**

**Tuesday January 16th at 8pm (UK time) on Zoom**  
**Registered Health Professionals and Students Welcome**

Alize's teaching of Classical Homeopathy in the New Time nurtures the potential for inner trust in self-healing. This self-healing potential exists everywhere in Nature, but falters at times of dis-ease.

Alize is currently working on a project to support the Older Wise Generation in re-awakening their self-healing potential.

Together with Elvia Bury she has treated 1000's of people in the Townships in Africa, by teaching inner trust for self-healing. Here with us she will share her experiences in the healing of the elderly.
