

WSWSHG presents:

ANIMAL KINGDOM – THE MAMMALS

A talk and discussion with

DR. SUNITA GANDHI BHMS, FCAH, PG-FHPC

Tuesday November 18th from 8pm (UK time) on Zoom.

Registered Health Professionals and Students Welcome

A comprehensive overview of the Mammals, their sub classification, and the various orders within the Mammalia group, towards a precise and clinically effective blueprint for prescribing mammalian remedies. Dr. Gandhi is a graduate of the Homeopathic Medical College, Mumbai, with a postgraduate qualification from the London College of Homeopathy, and 30+ years of experience in classical homeopathy.

She joined The Other Song Academy in 2014, where under the mentorship of Dr's Sankaran, Shah and Gandhi she gained a Fellowship in Advanced Homeopathy and a Postgraduate Fellowship in Psychiatry and Counselling. Dr. Gandhi runs a clinic in Mumbai and consults at The Other Song Clinic. Her areas of specialization include skin, hair, women's health and psychiatric conditions.
