

Programme Track 4: Health Systems

Monday, September 16

17.00 Opening Plenary

18.30 Welcome Reception

Tuesday, September 17

07.00 Breakfast Seminar

08.00 Plenary

09.30 Break

10.00 – 11.30

Organised Session:

**Health systems and Neglected Tropical Diseases a policy and practice debate:
Inclusion, Integration, innovation and implementation**

11.30 – 12.30

Abstract Session: Emergency and outbreak preparedness

1118

**Regional networks for research capacity and why these are needed to be prepared for
disease outbreaks**

Jamieson N., Netongo P.M., Dias A.G., Ogunfowokan G., Baker B., Horby P., Wilder-Smith A.,
Lang T. (UK, Cameroon, Brazil, Nigeria & Sweden)

1123

**Health workforce development in emergency preparedness for viral haemorrhagic
fevers**

Okware S., Okware B., Walimbwa S., Omuut, W., Nanyondo, J., Nabukenya, I., Walwema, R.,
van de Sande M. (Uganda & Belgium)

467

**Assessing the impact of a new emergency triage system on head injury mortality: Tikur
Anbessa specialized hospital emergency department, Addis Ababa, Ethiopia**

Fantaye H., Lomencho A., De Vos P, Azazh A. (Ethiopia & UK)

12.30 Lunch break – Sponsored Session / Poster Tour

14.00 Organised Session:

**Modelling social protection in health: Exchanges between concepts and field
experiences in West-Africa**

15.30 Break

Programme Track 4: Health Systems

16.00 – 17.00

Abstract Session: Performance based financing

1108

Bypassing of healthcare facilities among national health insurance scheme (NHIS) enrollees in Ibadan, south-west Nigeria

Oladimeji A., Adeniji F., Adewole D. (Nigeria)

888

Effects of performance-based financing on health systems outcomes: Conclusive evidence or undue hype? A systematic review

Brugnara L., Marx M. (Germany)

436

What can behavioural change analysis bring to the comprehensive understanding of performance-based financing sustainability? Exploration through the application of the I-change model on the case of Benin

Bodson O., Paul E. (Belgium)

306

Integration of performance based financing in health financing policies of three fragile and conflict-affected settings

Jacobs E., Bertone M.P., Toonen J., Akwataghibe N., Witter S. (UK & The Netherlands)

17.00 – 18.30

Organised Session:

Tropical Medicine where to go?

Wednesday, September 18

07.00 Breakfast Seminar

08.00 Plenary

09.30 Break

10.00 – 11.30

Organised Session:

Contrasting health policy and systems research (HPSR) in different low and middle income country contexts and discussion on priorities for future global HPSR

Programme Track 4: Health Systems

11.30 – 12.30

Abstract Session: Health systems and services (1)

195

The place of the “pharmacy” and “drug sellers” in low- and middle-income countries: A scoping review

Oleffe A., Mahieu C. (Belgium)

1111

Capacity of Tanzanian district level health facilities in providing surgical services

Adinan J., Marealle P., Name D. (Tanzania)

515

How do you effectively facilitate health systems interventions? Lessons from a management strengthening intervention in Uganda, Ghana and Malawi

Raven J., Banda H., Wyss K., Finn M., Martineau T. (UK, Malawi, Switzerland & Ireland)

12.30 **Lunch break – Sponsored Session / Poster Tour**

14.00 **Abstract Session: Health systems and services (2)**

334

District health management and its association with district performance: a study of six districts in the eastern region of Ghana

Heerdegen A.C.S., Aikins M., Amon S., Agyemang S., Gerold J., Prytherch H., Wyss K. (Switzerland & Ghana)

400

Perceptions of care and treatment of people living with hiv/aids in bihar: a qualitative study from India

Nair M., Kumar P., Pandey S., Harshana A., Kazmi S., Moreto-Planas L., Agarwal N., Singh C.M., Ranjan A., Burza S. (India & Spain)

944

Quality improvement in the Kenyan community health system: A mechanism to drive local innovations to overcome local challenges

Otiso L., Kumar M.B., Wingfield T., Doyle V., Okoth, L., Muturi N., Karuga R., Kimani M., Ogwang E., Regeer R.N., Taegtmeier M. (Kenya & UK)

426

A pragmatic NCD project in rural Kenya

Van Den Broucke S., Nzomukunda Y., Scholtes C., Prasai M., Kizito W., Muthinji E., Njiru R., Ellman T. (Belgium, Kenya & South-Africa)

457

Post-university specialty training (PUST) of family doctors in Tajikistan

Bohle L.F., Kasymova Z., Davlyatova D., Ross G., Yarbaeva S., Galeazzi R., Wyss K., Prytherch H. (Switzerland & Tajikistan)

15.30 **Break**

Programme Track 4: Health Systems

16.00 – 17.00

Abstract Session: Migration and health (2)

36

The lack of quality-assured sources of medicines on the global market: A qualitative survey to explore the needs of purchasers in the Belgian humanitarian sector

Nebot Giralt A., Ronse M., Ravinetto R. (Belgium)

635

Illness representations and coping practices for self-managing hypertension among sub-Saharan Africans; A comparative study among Ghanaian migrants and non-migrants

Nyaaba G.N., Agyemang, C., Masana, L., Aikins A., Beune E., Larrea-Killinger C., Stronks K. (The Netherlands, Spain & Ghana)

222

Social health insurance and payment for family planning services: Evidence from Indonesia

Wilopo S.A., Pinandari A.W., Wahdi A.E., Hariastuti I.W., Oesman H., Magnani R. (Indonesia)

16.00 – 17.00

Organised Session:

Beyond 2020 with Neglected Tropical Diseases: Leaving no one behind in the journey to 2030

17.00 – 18.30

Organised Session:

Responding to the health needs of migrants and refugees: we have the toolbox, we only need to open it

18.30 Conference Dinner

Programme Track 4: Health Systems

Thursday, September 19

07.00 Breakfast Seminar

08.00 Plenary

09.30 Break

10.00 – 11.30

Abstract Session: Mother and child health

17

Reaching the last mile for vaccination: Feasibility and acceptability of traditional birth attendants based referral system hard-to-reach areas of district Sukkur, Pakistan

Ambreen S., Siraj A., Zafar F. (Pakistan)

239

Safe motherhood revolving funds - Are they really life-savers for the poor? Practices and impact in Nepal

Baral K., Kshetri R., Gautam A., Paudel G., Khadka R., Gautam P., Rana S. (Nepal)

516

The development and implementation of a performance feedback dashboard to care providers from the electronic maternal and child health registry in Palestine: A qualitative study

Abu Khader K., Bungudo B.B., Baniode M., Frost K., Frost M., Ghanem B., Hijaz T., Mørkrød K., Salman R., Frøen J.F. (Palestine, Norway)

916

Assessing the translation of national level policies and strategies to address stillbirth at subnational level in Uganda

Ssegujja E., Ddumba I., Andipartin M. (Uganda & South Africa)

120

A historic cohort of old cases of malnutrition in childhood in the context of eastern DR Congo: A great opportunity of research 15 years after

Mwene-Batu P., Ngaboyeka G., Bisimwa G., Macq J., Donnen P. (Congo & Belgium)

11.30 – 12.30

Abstract Session Migration and health (1)

408

Clinical and economic impact of three different strategies for the management of strongyloidiasis in sub-Saharan immigrants to Italy

Tilli M., Botta A., Bartoloni A., Boccalini S., Zammarchi L. (Italy)

Programme Track 4: Health Systems

729

Improving the timeliness and completeness of childhood vaccination through color-coded bracelets: A pilot study amongst Fulani tribe in Nigeria

Yau Inuwa B., Müller O., Jahn A., Mahmud Zubairu M., Nwaze E., Aliyu M.M., Ibrahim Gamawa A.; Abdullahi A. (Nigeria & Germany)

680

Mental health and resilience, on and post arrival among Eritrean refugees in Switzerland: A cohort study

Chernet A., Probst-Hensch N., Sydow V., Paris D.H., Labhardt N.D. (Switzerland)

12.30 Lunch break – Sponsored Session / Poster Tour

14.00 Organised Session:

Supporting the design and implementation of universal health coverage policies through multidisciplinary approaches: let's open the dialogue between researchers, implementers and policymakers – with examples from Senegal

15.30 Break

16.00 – 17.00

Abstract Session: Health information (and systems)

1125

Can building a community of practice improve pharmacovigilance in Africa

Walker R.J., Lang T., Allen E. (UK & South Africa)

406

Complaints and 90-days mortality in patients presenting to the emergency department at a hospital in Nepal

Giri S., Rogne T., Uleberg O., Skovlund E., Shrestha S.K., Koju. R., Damås J.K., Solligård E., Risnes K. (Norway & Nepal)

637

Palestinian Health Research System: From system analysis to system strengthening

AlKhalidi M., Abed Y., Pfeiffer C., Haj-Yahia S., Alkaiyat A., Tanner M. (Switzerland, Palestine & UK)

1133

Electronic data capturing for the WHO verbal autopsy instrument to facilitate routine cause of death monitoring

Di Pasquale A., Leitao J., Nichols E. (Switzerland & USA)

17.00 – 18.30

Abstract Session: Health systems and services (3)

386

Responding well to patients – Making health system patient accountable – Experiences of the global patient club – Club olive in South India

Thomas Toms K., John Susan V.², John D., Raglund J., Kumar Satish C. (India)

Programme Track 4: Health Systems

1064

Mutual funds in Burundi: An opportunity for universal health coverage or only a vestige of coloniality in health systems?

Sere F., Nkurunziza E., Durnez D., Van Belle E. (Belgium)

993

Health systems factors predicting severe maternal outcomes in two South African hospitals: A case-control study

Thwala S.B.P., Blaauw D., Buchmann E., Ssengooba F. (South Africa, South Africa & Swaziland)

1010

Spreading international health in primary care

Sequeira-Aymar E., Carcasó-Díaz A., Jiménez-Lozano A., De Gispert-Uriach B., Saperas-Pérez C., García-Gozalbes J., González-Martínez M., Mallart-Raventós M., Gispert-sauch-Puigdevall N. (Spain)

1140

The efficacy of the village health club in contributing to sustainable management of childhood malaria

Ochieng D., Dr.Gudoí S.S., Bwanika J.B., Tushabe B., Ssegawa E., Ngabirano T., Opigo, Abesiga H., Businge H.L., Nampeera V. (Uganda)

Friday, September 20

08.00 – 10.00 Parallel Sessions

08.00 Abstract Session: Mother and child health

466

Participatory research methods to improve community engagement and programme coverage for mass drug administration

Lar L.A., Adekeye T., Oluwole A., Yashiyi J.N., Isiyaku S., Dixon R., Dean L., Thomson R., Theobald S., Bongkiyung P., Ozano K. (Nigeria & UK)

600

The PARASAHARA project: Schistosomiasis Epidemiology and Control at the Lakes of Ounianga in the Sahara Desert in Chad

Moser W., Ott R., Batil A.A., Greter H. (Switzerland & Chad)

972

The catastrophic economic burden of visceral leishmaniasis in Bangladesh, India, Ethiopia and Sudan: Financial risk protection is not enough

Paintain L., Boudarene L., Pearson M., Edwards T., Alatiaby A.A., Mondal D., Adera C., Prakash M., Ruiz Postigo J., Argaw Dagne D., den Boer M., Burza S., Webster J. (UK, Sudan, Ethiopia, Bangladesh, Switzerland & India)

402

Integrating soil-transmitted-helminthiasis and schistosomiasis control programs in primary health care: A step forward for universal health coverage in endemic areas

Amor A., Anegagrie M., Barrio E., Tashu B., de los Santos J.J. (Ethiopia & Spain)

Programme Track 4: Health Systems

906

Following up community wide treatment for schistosomiasis in three communities from the greater Accra region, Ghana

Cunningham L.J., Campbell S.J., Armoo S., Koukounari A., Watson V., Selormey P., Stothard J.R., Idun B., Adams E.R., Osei-Atweneboana M. (UK, Australia & Ghana)

947

Sustainable and cost-effective community-based engagement strategies to identify Visceral leishmaniasis in India

Bajpai N., Kumar S., Meredith S., Sinead R., Das R., Aggarwal V., Misra K., Burza S. (India & UK)

08.30 Organised Session:

Provincial Medical Equipment workshop – quicker and efficient maintenance

10.00 Break

10.30 Organised Session:

Going Viral: Insider tips on getting your story on the front page for the right reasons

10.30 Organised Session:

BIRTH – Are health systems failing to meet the needs of women?

10.30 Organised Session:

Structured Operational Research and Training Initiative (SORT IT) for Neglected Tropical Diseases (NTDs) control and elimination in Ethiopia

12.00 Closing Plenary
