

16th Malaria Meeting by DTG, DZIF and PEG

03 - 04 April 2025

Institute of Tropical Medicine
Tübingen, Germany

Your research at the 16th Malaria Meeting

From April 3 - 4, the 16th Malaria Meeting by the [DTG | German Society for Tropical Medicine, Travel Medicine and Global Health e.V.](#), the [DZIF | German Center for Infection Research](#) and the [PEG | Paul-Ehrlich Society for Infection Therapie e.V.](#) will take place at the **Institute of Tropical Medicine in Tübingen, Germany**. This meeting offers a unique platform to present and discuss the full spectrum of Malaria research.

We warmly invite you to join the programme and present your research to an international audience and get feedback from Malaria experts.

Deadline for abstract submission: 15 January 2025

Registration has opened

Registration for the 16th Malaria Meeting is already possible, with reduced registration fees for members of the DTG and the PEG, as well as for students.

Only 200 places available; registration will be stopped as soon as this number is reached!
