News Articles

[The rise of the "megafarm": How British meat is made](#) (Bureau of Investigative Journalism, 2017)

Outlines recent developments of industrial animal agriculture in Britain and illustrates how it has increasingly modelled itself after the US concept of intensive farms.

[Fowl Play: The chicken farmers being bullied by big.poultry](#) (The Guardian, 2017)

Details the ways in which large, industrialized meat corporations shift the burden of animal agriculture onto individual farmers.

["Ag-gag laws" hide the cruelty of factory farms from the public. Courts are striking them down](#) (Vox, 2019)

Details the legal basis for Ag gag legislature, and the ways it inhibits successful protesting against animal abuse.

Scientific Publications

Loughnan, S., Haslam, N., & Bastian, B. (2010). [The role of meat consumption in the denial of moral status and mind to meat animals](#). *Appetite*, 55(1), 156–159.

<https://doi.org/10.1016/j.appet.2010.05.043>

Investigates the existing paradox in people both liking animals and liking to eat animals, indicating that study participants unconsciously suppressed their moral concern for animals after eating meat to evade this conflict.

Lam, Y., Fry, J. P., & Nachman, K. E. (2019). [Applying an environmental public health lens to the industrialization of food animal production in ten low- and middle-income countries](#). *Globalization and Health*, 15(1). <https://doi.org/10.1186/s12992-019-0479-5>

Systematically compares the extent and negative externalities of industrial animal agriculture in Brazil, China, Ethiopia, India, Kenya, Mexico, Myanmar, Turkey, Uganda and Vietnam; thus providing starting points for more specific research and opportunities for experience sharing.
