

New Premises Required!

Urgent – July 2022

We are seeking temporary premises to use as a Night Shelter. We support homeless people with low support needs – providing emergency accommodation and support to move on into longer term accommodation.

We are seeking a building

- In Hackney
- With showers – or the potential for their installation
- Space for at least 8 beds – but preferably up to 20 – in either single rooms or shared 2/3 to a room (at least 4,000 sq foot)
- For a period of at least twelve months but preferably longer
- Available before December 2022
- For free or minimal rent!

We can offer –

- responsible guardianship and day to day maintenance with daytime staff, evening and weekend volunteers and paid overnight staff.
- no business rates/council tax to pay as we would take them on and claim charity exemption.

If you can help with this please contact the Director, Mark at Mark@hwns.org.uk or 020 3729 8864.
