2023 PROFESSIONAL PRACTICE EXAMINATION

PAPER 1 (30 Minutes) Total 40 Marks (8 Marks per question)

14th October 2023

Please attempt all Question
Write your answers on this piece of paper.

Name

Use additional sheets if necessary; print your name on all sheets.

Question 1. Professional Aspects

'Part M-Access and Use', of the Building Regulations 2010, refers to a document called 'Good Practice Guidelines on Accessibility of Streetscape' for tactile paving and dropped kerbs. Describe the different types of tactile paving used for pedestrian crossings, illustrate your answers with sketches, to show where tactile paving should be applied and the likely dimensions. Mention any other important elements to be considered by a landscape architect in the design of the crossing. [8 marks]

Question 2. Irish Landscape Institute (ILI)

What are the various Categories of Membership of the Irish Landscape Institute as set out in the Articles of Association of the Institute? [8 marks]

Question 3. Planning and Development

What constitutes a Large-scale Residential Development (LRD) in planning terms?

Describe an LRD in terms of number and types of properties within the planning application.

What has the Planning and Development (Amendment) (Large-scale Residential Development) Act 2021 recently replaced and who makes the planning decision on a LRD? [8 marks]

Question 4. Environmental and Legislation

What does the term S.E.A. stand for and what does it relate to? [8 marks]

Question 5. Landscape Contracts and related aspects

What is a nominated subcontractor, who appoints them and who pays for their work? [8 marks]
