

## 2015 PROFESSIONAL PRACTICE EXAMINATION

PAPER 2 (1 Hour 30 Minutes) Total 60 Marks (20 Marks per question)

21<sup>st</sup> March 2015

**Please attempt 1 Question from each of Sections A, B and C**

---

### SECTION A - Professional Aspects

- Question A1.** List the three main types of insurance cover required for a Landscape Architecture practice and describe briefly the importance of each.
- Question A2.** Under the ILI's Code of Ethics and Professional Conduct, list three of the Members' Responsibilities and briefly discuss the reasons why they are important.
- 

### SECTION B - Environmental and Landscape-related Legislation and Law

- Question B1.** Discuss the issues to be considered in the course of tree felling works, noting relevant legalisations, applications, exclusions, controls and general implications.
- Question B2.** You have been commissioned to prepare a Landscape and Visual Impact Assessment for inclusion within an Environmental Impact Statement. Outline the report structure for your assessment and briefly discuss the contents to be considered under each heading.
- 

### SECTION C - Contract

- Question C1.** You have been commissioned to tender a substantial landscape works package for a new development. Outline the tendering options open to your client and set out the stages and procedures up to award of the contract, noting any relevant differences in advice that would apply to a public sector client.
- Question C2.** With reference to the Safety, Health and Welfare Act 2005 and the Safety, Health and Welfare at Work (Construction) Regulations 2013, briefly describe the main responsibilities of the Project Supervisor for the Design Process and Designers in the preparation of contract documentation.
