Career Opportunity for Graduate Landscape Architect

Murray & Associates is a leading landscape architecture practice based in Clontarf, Dublin. The practice undertakes a wide range of landscape planning and design projects. We are currently working on exciting projects in Ireland, the UK and Europe.

We aim to create outstanding landscapes that give satisfaction to clients, enjoyment to the user and satisfaction to us as professionals. We offer motivated personnel the opportunity to work on challenging projects that improve their professional and creative skills, provide opportunity to travel and contribute positively to the practice.

M&A is now accepting applications from Graduate Landscape Architects. Ideally, candidates will have:

- a third level qualification in Landscape Architecture with Irish Landscape Institute or IFLA accreditation
- a good understanding of the landscape around us
- strong design skills and good written and verbal communication abilities
- skills with AutoCAD, BIM Software, Photoshop, Illustrator, Sketchup, etc. to produce imaginative, creative drawings and models.

Your application should consist of cover letter, CV and three select examples of your project work to date. Shortlisted candidates will be invited for interview.

The initial contract would be for 1 year. We would expect to extend the contract on completion, by agreement.

Please send your application by email to Mark Boyle, Director <mark.boyle@murray-associates.com>
