

It's Back!

RETURN OF THE RESIDENTIAL - THE 1ST GETAWAY SINCE COVID

***"It was good to
get away for a
while"***

After a 5 year break in residentials, the adults and staff of LinkAble were thrilled to embark on a 3 day trip to Calshot, near Southampton. The group of 13 adults and 5 staff set off from their LinkAble base in Woking and made the journey by minibus, to the coastal retreat. Once there, the group spent the 3 days taking part in fun activities such as rock climbing, donutting, trips to the beach and eating yummy pub grub, amongst many other things.

For some, the residential came as a well needed break, as we heard from William B, who's last holiday was in 2016.

"It was good to get away for a while, the activities were engaging, the food was good and the staff were great!"

William B was not the only satisfied holiday goer - Hannah, a regular attendee of the charity, said "there was yummy food, fun games and nice hot chocolate".

All in all, I think it is safe to say that the return of the residential was a real success and we look forward to many more!
