Zoom Rules!

- Please make sure you are on mute unless you wish to ask a question. This stops background noise which others may find distracting.

- Please put comments or suggestions in the chat box.

- Raise your hand if you would like to ask a question.

- Please respect other people's opinions may not always be the same as yours.

- Abusive language or swearing will not be tolerated.

Mencap

Hello from Mencap,

We want to use social media to show the incredible creative talents of the learning disability community and especially all the creativity that has helped people through this past year of the pandemic. People with a learning disability are one of the most excluded groups in society and hugely under-represented in the arts. Let's show the world all the amazing talent out there.

How to get involved:

Share a photo of your art and creativity on social media with the hashtag **#LDArtWeek**

Create a hand print sensory art work using our pack

Join Mencap's very own taskmaster Harry Roche for his crafty task this learning disability week. Create the #LDArtWeek hashtag out of anything you have at home and take a photo of it from above. You have 1.5 hours. Your task begins now! **Everything you need is [on our website here](#).**

Instagram/Facebook/Linkedin:

Making art is something everyone can enjoy. Creativity is inclusive to all.

This Learning Disability Week, we're joining Mencap to celebrate the incredible creative talents of people with a learning disability everywhere. All artistic talent should be recognised.

Why not join in too? Get arty and share why you create: [mencap.org.uk/LDWeek](https://www.mencap.org.uk/LDWeek)

#LDArtWeek
