# SPONSORSHIP OPPORTUNITIES

After successfully hosting numerous pupil-led initiatives at Methodist College Belfast, we are excited to announce our new and inspiring event:  
**TEDxMETHODIST COLLEGE BELFAST YOUTH.**

TED is an annual global event that brings together the world's leading thinkers and doers to share ideas that matter across disciplines—technology, entertainment, design, science, humanities, business and development. TED Talks from these conferences are freely available on TED.com.

To extend this mission locally, TED created **TEDx**, a program of locally organised events that deliver a TED-like experience. At a **TEDx** event, live speakers and TED Talks videos combine to spark deep discussion and meaningful connections. While **TEDx** events operate under a license from TED, they are independently organised by passionate local teams.

We are proud to announce that Methodist College Belfast has been granted a license to host its own **TEDx** event: **TEDx@Methodist College Belfast Youth**, taking place on 2nd February 2026. This pupil-led initiative, supported by Mr Armstrong, is more than a school event—it is a celebration of creativity, leadership, and ambition.

Our theme, Creating Ripples, reflects the belief that one idea can lead to countless positive impacts. Just as a single ripple spreads across water, one thought, action can inspire change far beyond its origin. Through this event, pupils aim to spark conversations that will ripple through classrooms, communities and beyond.

## EVENT DETAILS

**DATE:** 2nd February

**VENUE:** Methodist College Belfast

**AUDIENCE:** Pupils, educators, community leaders and innovators

### SPEAKERS:

- External Speakers - 5 Individuals from diverse fields will deliver talks that combine professional expertise with personal stories.
