# SPONSORSHIP OPPORTUNITIES

Here at Methodist College Belfast our Robotics team proudly represent us across the global stage of robotics competitions. The team continue to compete at the FIRST Tech Challenge (FTC) and FIRST LEGO League (FLL), joining over 17,000 teams worldwide and 500 across the UK.

We design, build, and programme innovative robots to solve real-world challenges, developing skills in engineering, coding, teamwork, and problem-solving. As a FIRST UK Champion Organisation, we also support FTC teams across Northern Ireland, helping to grow the region's robotics community.

Our track record speaks for itself:

- FTC Awards: Think Award, Design Award, and two Innovate Awards
- FTC Competition Success: Runner-Up Alliance and Finalist Alliance Captain at NI and UK Championships
- FLL Core Values Award: Recognising exceptional collaboration and respect

This year, we are delivering a robotics programme to our Shared Education partnership schools, fostering reconciliation by enabling pupils from diverse religious and socio-economic backgrounds to collaborate in meaningful STEM activities.

We look forward to the possibility of partnering with you to make this event a resounding success.

By partnering with us your organisation will:

- Champion STEM Education: Inspire the next generation of engineers and innovators in Northern Ireland
- Build a Talent Pipeline: Engage with future

leaders in robotics and automation—skills critical to Industry 4.0

- Showcase Community Impact: Demonstrate your commitment to education and technology advancement
- Gain Brand Visibility: Your logo featured on our robot, team merchandise, website, social media, and school publications
- Connect with Future Innovators: Opportunities to visit our Maker Space, speak at events, and mentor students

Your support will help us cover:

- FTC Robot Parts & LEGO Kits
- Travel & Accommodation for national and international competitions
- Tools & Materials for building and programming

# SPONSORSHIP PACKAGES

## BRONZE

- £50
- Logo on website
- Social media shoutout

## SILVER

- £125
- Logo on Maker Space
- Logo in School Magazine

## GOLD

- £250
- Logo on Merchandise
- Event Mentions

## PLATINUM

- £500+
- Naming rights for Maker Space
- Outreach Involvement
- Logo on competition robot
- Dedicated article in school magazine
- Invitation to speak at events and participate in outreach programmes.
