About the Theme

"Better Together" celebrates the power of collaboration, community, and connection. We invite you to explore themes of unity, partnership, collective strength, and the ways in which art brings people together. Your interpretation of this theme can be literal or abstract, personal or universal.

Consider works that explore:

- Collaboration and partnership
- Community bonds and shared experiences
- The strength found in diversity and inclusion
- Art as a unifying force
- Collective action and social cohesion
- Relationships that inspire and support

Submission Guidelines
