

# **LGBT Veterans** Independent Review

The LGBT Veterans Independent Review has been set up to examine the impact of the 1967 to 2000 ban on homosexuality in the UK Armed Forces.

The Review will seek to better understand the experiences of LGBT individuals who served in the Armed Forces from 1967 to 2000 and will provide recommendations to government on how to address this historic hurt.

**If you or someone you know**, were impacted by the ban, head to our website to find out how you can submit testimony in our Call for Evidence.
