## 90-minute Training

### Early Years Music Toolkit

Bring joy and confidence to every child with a wide range of early years musical activities that go far beyond the familiar nursery rhyme. This practical session introduces adaptable ideas for lively family sessions, group work in nursery settings, and 1:1 interaction.

#### Learning Outcomes:

- A refreshed, practical toolkit full of songs, activities and strategies.
- Confidence to use music to support learning, creativity, and connection.
- Immediately usable resources suitable for all Early Years environments.

## Half-Day Training

### Singing for Speaking

A practical introduction to how singing games can support early speech, language, and communication. This session explores how musical play supports early communication by developing listening, sequencing and foundational language skills. You'll experience simple, adaptable singing games that align with speech and language therapy goals, offer strong support for EAL learners through rhythm and repetition, and can be tailored easily for a wide range of developmental needs.

#### Learning Outcomes:

- Build practitioner confidence using music to enhance communication and early literacy.
  - Strengthen inclusive practice for both EAL learners and children with speech & language delays.
  - Align musical play with existing intervention tools (e.g. WellComm).
  - Foster joyful, playful approaches to early communication support.

## Beyond Nursery Rhymes Level 1

Transform your approach to Early Years music by learning how to integrate musical play across all seven areas of learning in the EYFS. Grounded in the principles of the framework, *Unique Child, Positive Relationships, and Enabling Environments*, this training equips you to use music as a powerful driver of development.

### Learning Outcomes:

- Build a flexible bank of games and activities for multiple settings.
- Create environments that support both adult-led and child-led musical play.
- Use sensory-inclusive strategies that support children with diverse needs.
- Inspire a lasting love of music in young children and their families.
