ABRSM

90-minute Training

Building Music Opportunities in Your Personal Development Programme

This focused session explores how to kickstart singing in your school, establish a choir, build partnerships, and access potential funding. Learn realistic timelines, practical steps, and effective strategies for creating lasting musical opportunities.

Learning Outcomes:

- Identify starting points for developing singing in your school.
- Understand realistic timelines for creating and sustaining a choir.
- Build partnerships that support musical growth.
- Explore funding pathways and opportunities.

Half-Day Training

Creating a Singing Safe School

A practical, inclusive session designed to support leaders in establishing a safe and joyful singing culture across their school.

For Primary

This workshop offers tools and activities that help EYFS to KS2 pupils build confidence, connection, and wellbeing through singing.

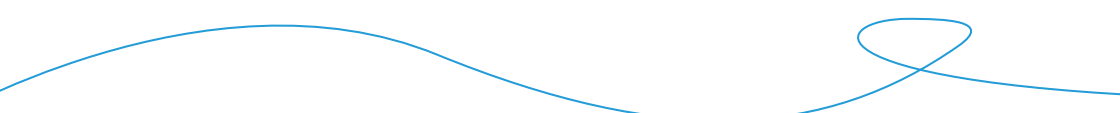

Learning Outcomes:

- Develop a nurturing, inclusive primary singing culture.
- Use singing to support confidence and foster community.
- Lead staff in delivering safe, joyful vocal activities.

For Secondary

This workshop equips secondary staff with strategies and repertoire that empower all students to participate confidently in singing.

Learning Outcomes:

- Build an inclusive secondary singing culture.
 - Support adolescent vocal development with appropriate repertoire.
 - Embed singing into everyday school life.
- 

Bespoke Training

Creating a Music/ Vocal Strategy

A structured process for designing a long-term strategy tailored to your organisation.

Across multiple sessions, we help you define aims, set strategic actions, and develop a sustainable 5-year strategy aligned with your goals.

Learning Outcomes:

- Build a music strategy that resonates for years and positively impacts communities.
- Embed sustainable, inclusive, long-term musical practice.
- Advocate effectively for music's contribution to wellbeing, inclusion, and community cohesion.
- Coach and mentor staff using a strategic, supportive approach.

Full-Day Training

Teacher to Trainer

A practical training day that strengthens leaders' ability to upskill and support generalist teachers. Through an asset-based approach, explore key musical skills, adult learning principles, coaching methods and effective feedback.

Learning Outcomes:

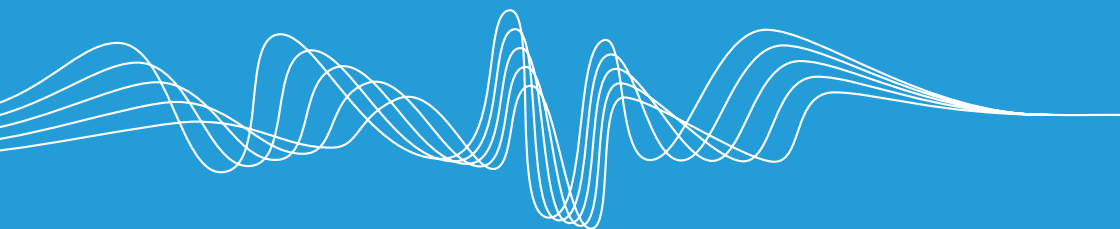

- Train and support teachers with confidence.
- Apply coaching techniques grounded in adult learning principles.
- Provide feedback that empowers and develops staff.
- Strengthen music quality across multiple settings.

Ready to take your music provision to the next level?

Partner with ABRSM Voices to empower your team, inspire your learners, and embed a vibrant culture of singing in your setting. Book your training today!
