ABOUT US

I'm Owain, and together with Si, we run Digit Music.

30+ years in music, education and technology

Worked for major record labels, and top music brands, developed award-winning digital instruments and pioneered inclusive music education methods.

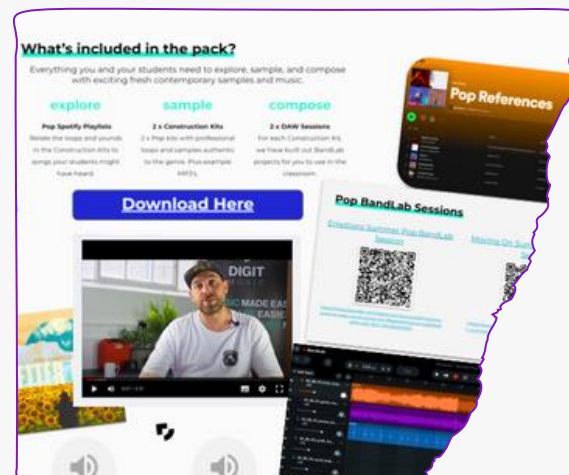

OUR BUSINESS

Digital Music Instruments

Commercial Music & Audio

Education & Skills Content

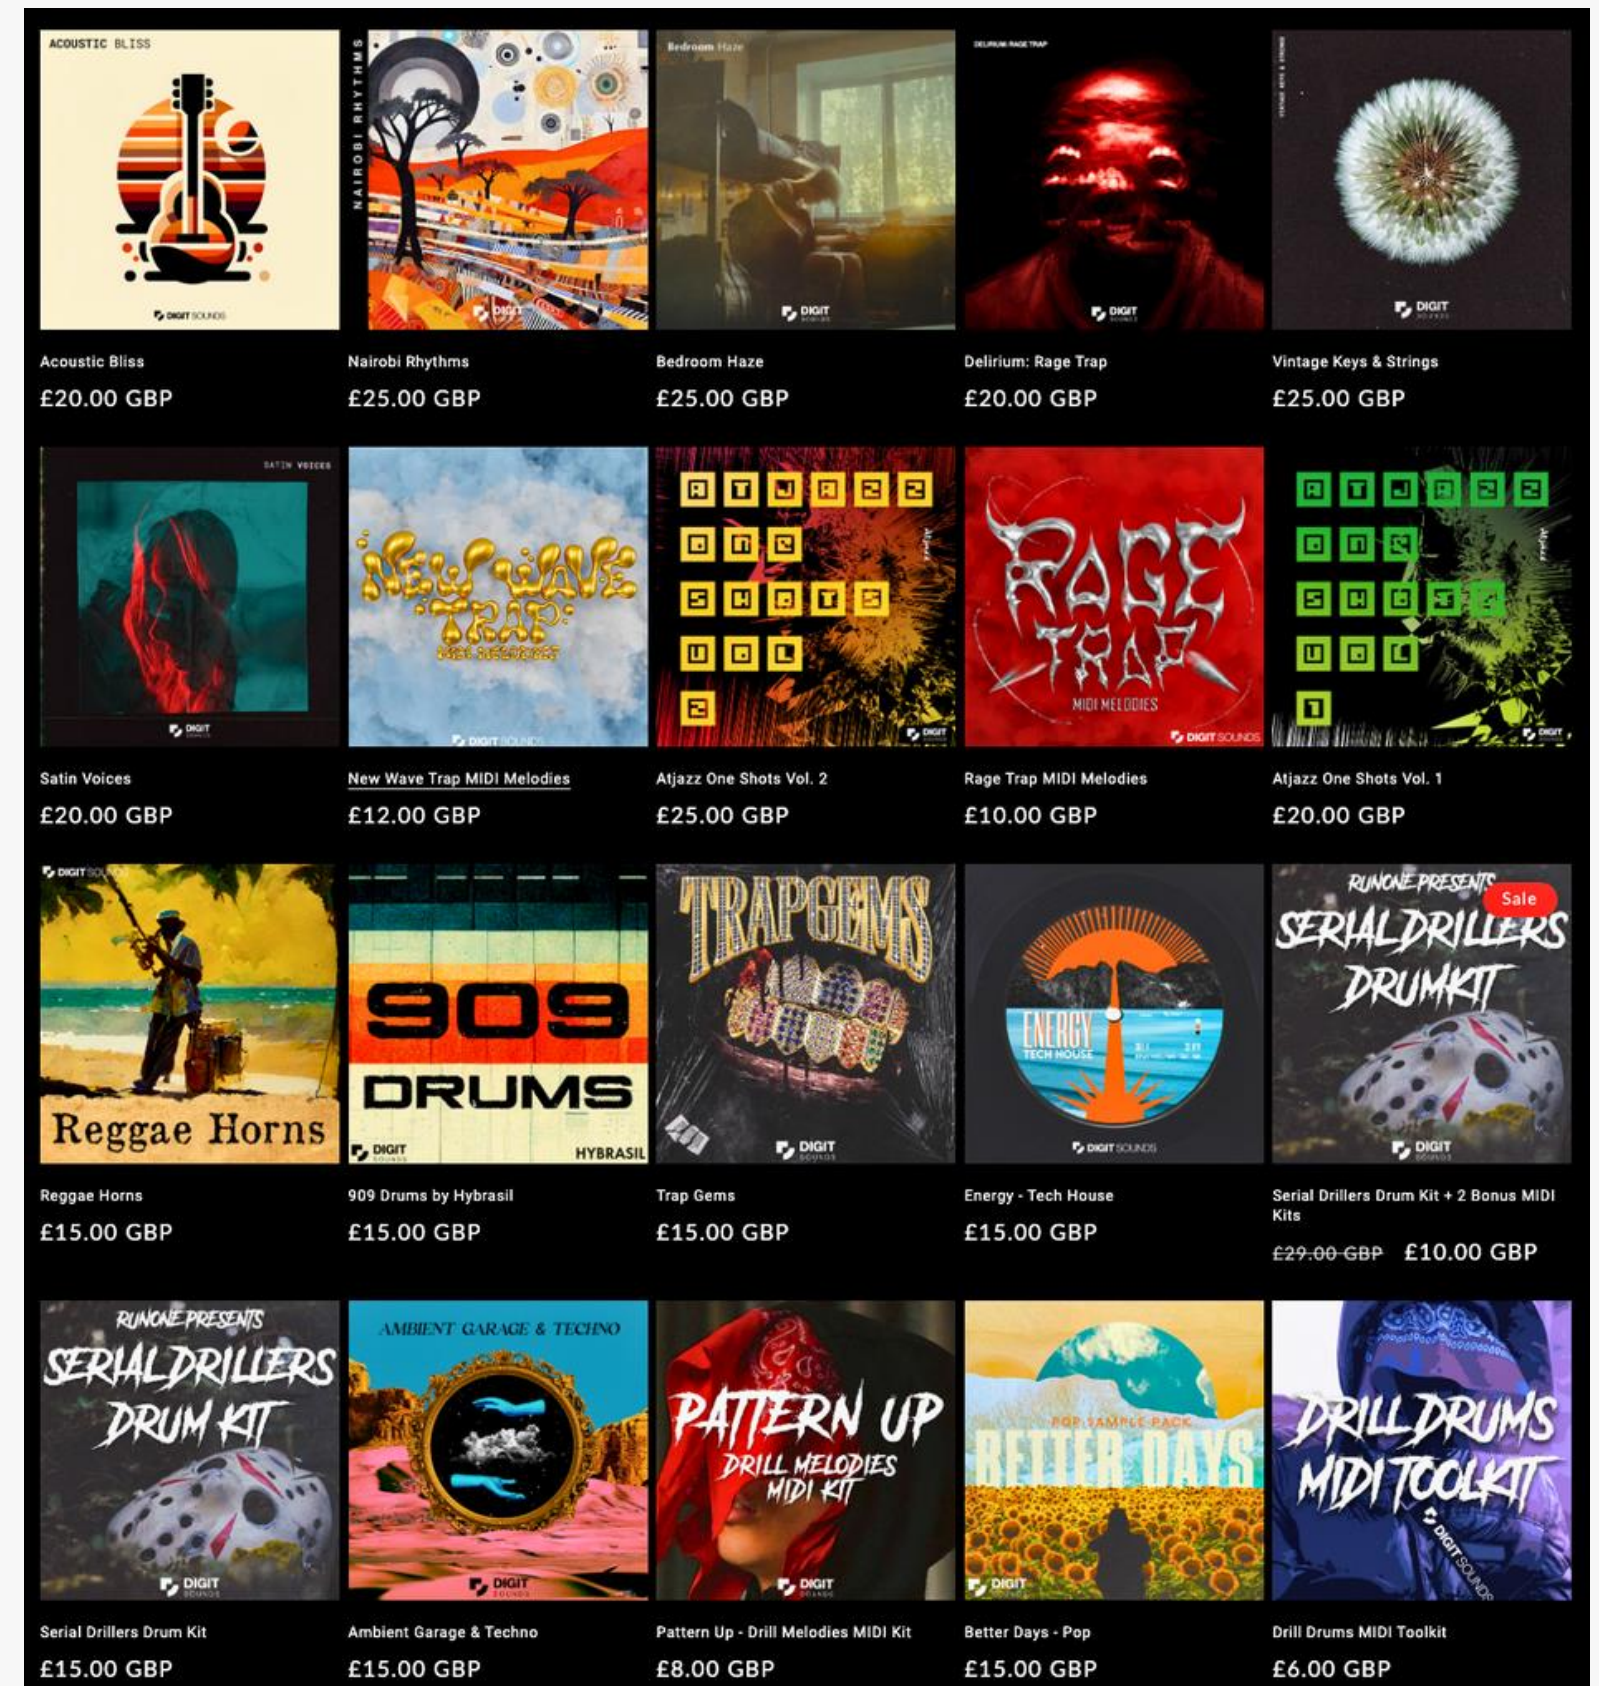

Teaching & Training Services

OUR MUSIC & AUDIO

- A team of global experts working with top artists like Ed Sheeran, Sam Smith, Ella Eyre, James Bay and many more.
- Authentic, evolving royalty-free sound library covering everything from Trap 808 kick drums to Luo Nyatiti string samples.
- Used by musicians of all levels, from hobbyists to Billboard artists.

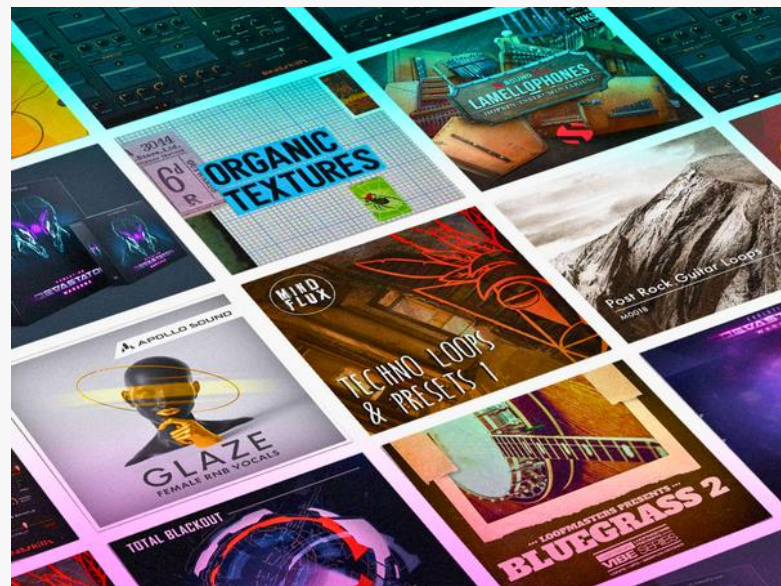

MUSIC HAS CHANGED...

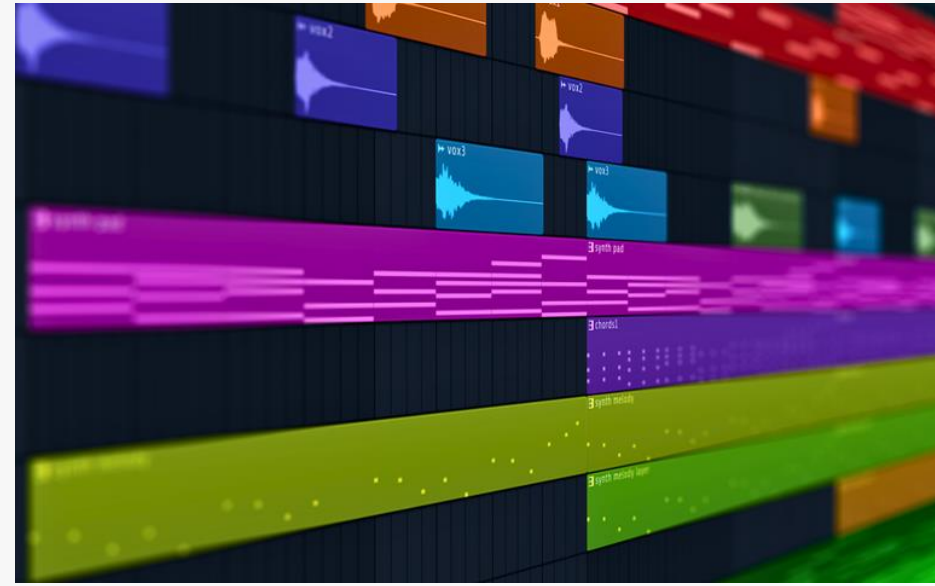

The modern music industry is built with digital creation tools, powering the hits of the world's favourite artists.

THE MAIN TOOLS OF DIGITAL MUSIC

**Audio Construction
Kits (aka Sample
Packs)**

**Digital Audio
Workstations
(aka DAWs)**

**Software
instruments
& effects**

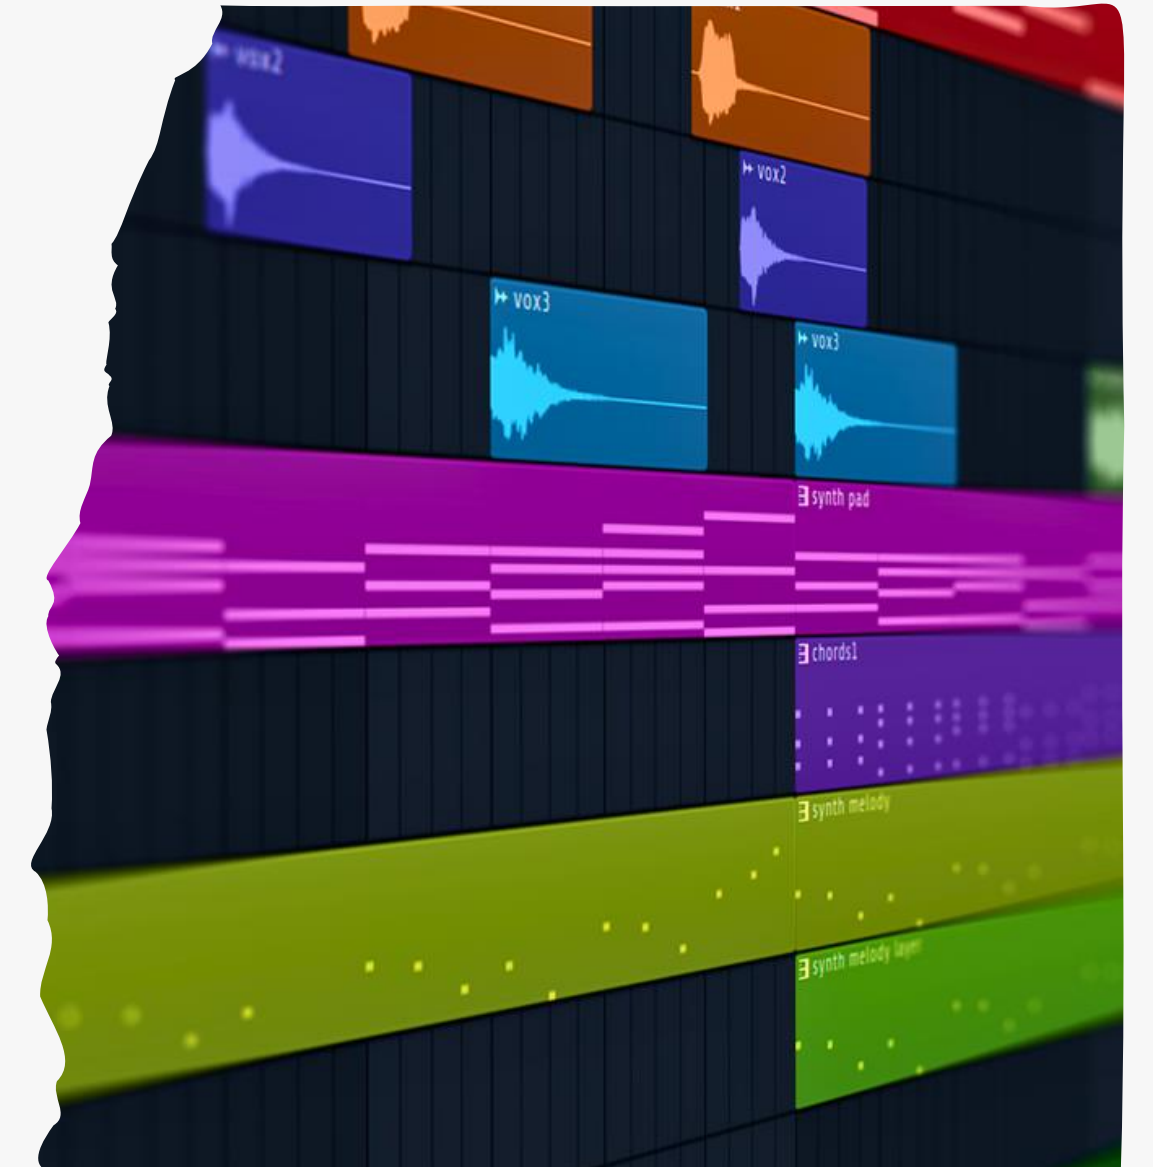

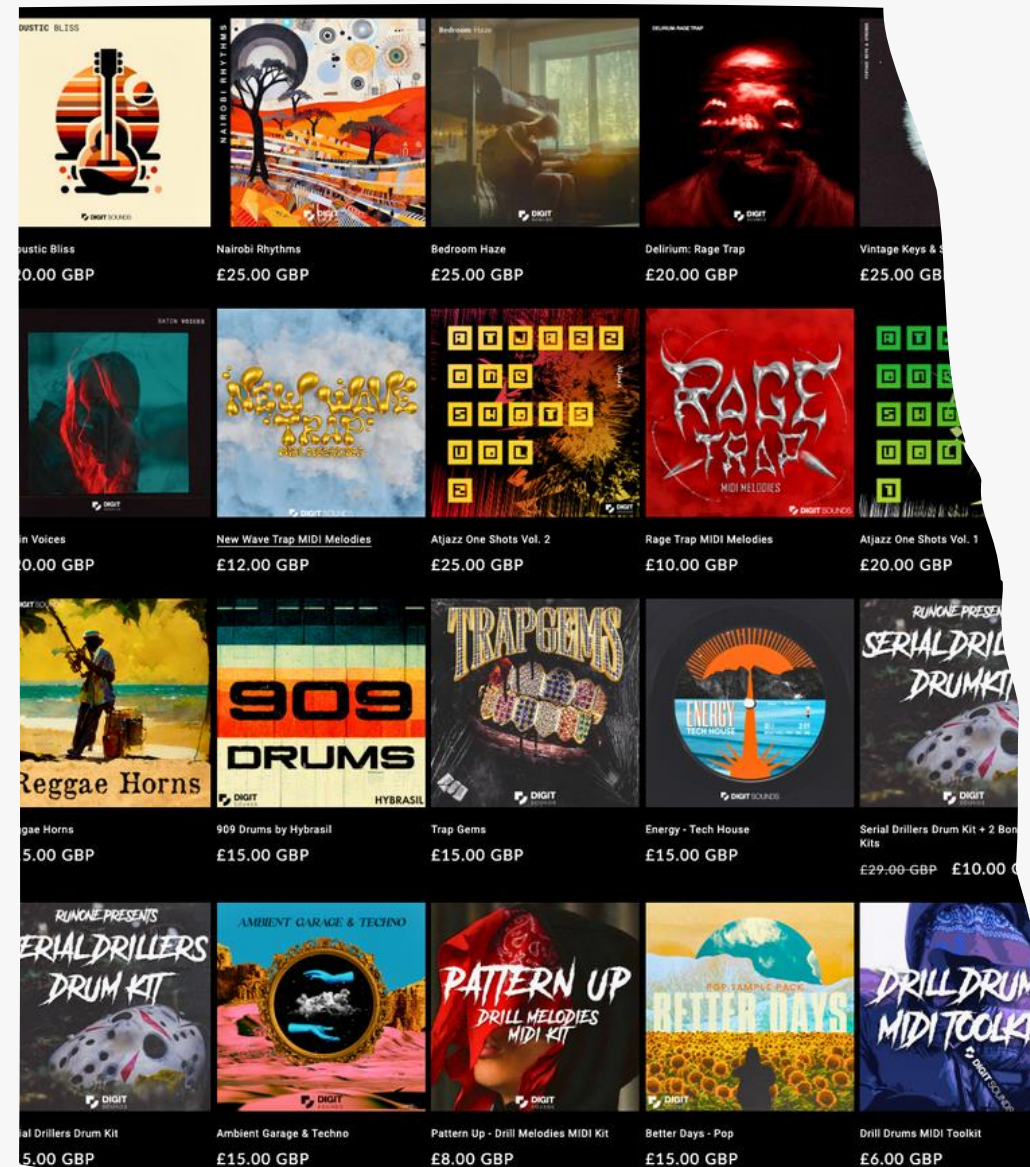

MIDI Devices

AUDIO CONSTRUCTION KITS

- Easy-to-use audio samples and loops for all skill levels.
- Include drum beats, basslines, and melodies.
- Focus on creative arranging and mixing.
- Varied techniques and styles.
- Feature diverse sounds.
- Modern + accessible.
- National Plan for Music.

3 Packs per Academic Year

(SEND Friendly Versions Available)

WHY HAVE WE MADE THE PACKS?

Connect student musical interests into schools

Bring digital music to every music classroom

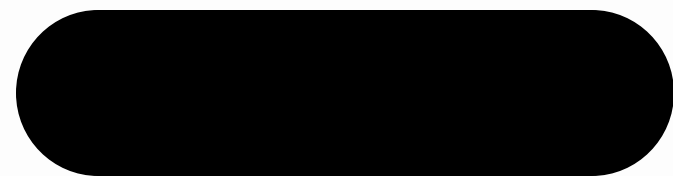

Help teachers feel confident with digital music + tools

Empower more teachers through digital music

Work together to change how music is taught in schools

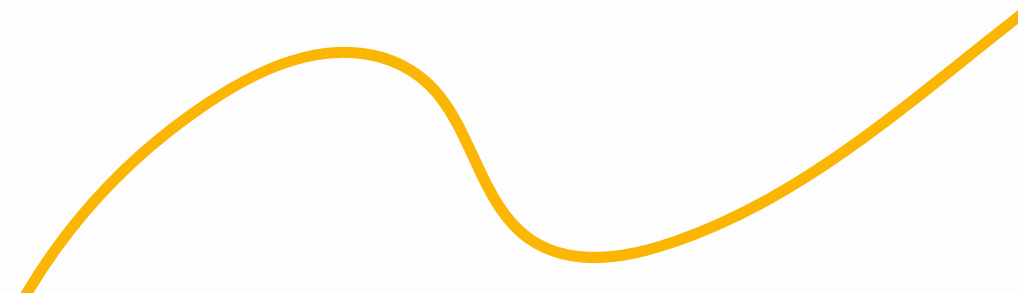

Professional development in music education

Support the NPME, Ofsted and music talent pipeline

Make music education enjoyable and accessible for all

GETTING DIGITAL IS A GREAT OPPORTUNITY...

- Reshapes who can learn music and be a musician.
- A route to inclusion in wider education.
- Enables more teachers to lead interactive sessions.
- Aligns with the NPME and supports Ofsted Well-Being requirements.
- Supporting digital music is key to making music education enjoyable and accessible.
