20th & 21st September 2025

Leven Parish Church Hall

Durie Street, Leven

KY8 4HA

NOTE FROM THE CHAIR

Welcome to the schedule for the 2025 Fife Flower Show.

Thank you to everyone for making the 2024 show a real success. We were grateful to see so many of our regular exhibitors continue to support the show and were delighted to see some first time exhibitors. We look forward to seeing you all in September and hope that you'll have a successful show.

The weather made 2024 a very challenging year for most exhibitors. We can only pray for kinder conditions in 2025, though it does feel odd to say that while writing this note in January in the midst of one of the strongest storms experienced in the UK for many years. So, fingers crossed that the weather improves!

While much about our show remains the same, one big change for 2025 is that there is no 'through the night' staging. In recent years we have seen a significant reduction in demand for overnight staging which, combined with the effort required by the overnight steward, means we have decided to close the hall at midnight on Friday with it re-opening at 5am on the Saturday morning. This is a big change for our show and we hope you understand and accommodate this change.

As well as our exhibitors, I'd also like to thank everyone who supports, or helps to run, the show — from judges, sponsors, and the Committee and friends who help to erect and dismantle the infrastructure for the show. It's no mean feat to put the show on every year and if you'd like to help in any way, at all, you'd be made very, very welcome.

All that remains for me to do is to wish you a good growing season and hope you receive your due rewards on the benches come show season.

Look forward to seeing you at the show,

George
