## ***IMPORTANT INFORMATION FOR ORGANISERS OF SHOWS AND EXHIBITORS OF CATTLE 2026 SPECIFIC REQUIREMENTS – CATTLE***

*The following rules apply. The movement of cattle to and from a show within the state must be recorded on the AIM SYSTEM. In line with these changes a specific cert of compliance for the movement of bovine from a single holding to a show must now be requested prior to the movement of animals concerned. These certs can be created by applying online using their agfood account or where the keeper is not online the cert can be generated by the local regional vet office following receipt of a NbAS31K with issue of the cert being subject to normal criteria applicable. This form will be available on the depts website. When applying for this cert the show number is required(S920) The cert generated will include an S symbol. The cert for the show will continue to be valid for 30 days. Calves under 10 days cannot be moved to a show. Certificate must be produced to the show secretary on the day, fully completed with cards. The Longford Agri Show committee acting by ourselves reserves the right to reject or cancel any entry or entries made by or on behalf of any person, corporate or other entity and may direct the removal of any animal or other exhibit from the showing ring or display area and from the showgrounds if the committee and its agents or officers shall deem it fit to do so, without offering any explanation or reason for so doing and without incurring any liability whatsoever to any such applicant / exhibitor or his or her or its agent.*

## **IMPORTANT NOTICE TO ANIMAL OWNERS INVOLVED IN SHOWING ANIMALS AT SHOWS**

*Dangerous, wild, unruly, animals are banned from the showgrounds The Irish Shows Association would advise all Animal owners who have their Animals Insured to have the Insurance cover extended to cover them while showing Animals at Shows, it may cost very little or nothing at all depending on who you have Insurance with. The reason for giving this advice is that if your animal were to injure someone or damage someone's property, and it is established that your animal was out of your control at that time, you may be held responsible or partly responsible for any injury or damage caused, and could end up paying all, or part of any settlement reached.*

**PRIZES: €100; €60; €40, unless otherwise stated.**

**ENTRY FEE: €12.**

*It is intended to pay out all Cattle Prizes on the day of the show. Most Championship Prizes will be by way of either vouchers or goods. Some Class Prizes may also be by way of voucher of goods, as far as possible those prizes will be available for collection on the day. In the Event of two or less entries being received for any class, in any Cattle Section, the Committee Reserve the Right to amalgamate that Class with the next appropriate Class where possible or to cancel Classes. Should a total of five or less entries be received for any one of the Pedigree Sections, the Committee Reserve the right to amalgamate all classes in that section, and to declare the resulting amalgamation of the Championship for that section, with an extended number of Prizes for that Championship class.*

### **ISA NOTIFICATION**

*AFTER a number of submissions from affiliated shows on the judging of calves and the need to have them judged by weight rather than by age at shows the ISA cattle subcommittee have put forward the following recommendation on use of live weight for calf classes e.g. (calves under 12 months not to exceed 460 kgs (Autumn born calves and calves under 6 months) it recommends that the weight should not exceed 320 kgs.*

*Another suggestion is to use no more than 1.7 kgs live weight gain per day from the birth date to the show date. This proposal would also be suitable for interbreed pedigree calf championships.*

***Exhibitors must wear show coat and display number.***

***Exhibitors who win cups / trophies must sign judges' book.***

***Please have certificate of compliance correctly filled out before approaching Secretary's office on show morning to avoid unnecessary delays.***

### **Eligibility of Shows to host Qualifiers:**

#### **Shows wishing to participate in the Championships and be eligible to hold qualifiers must:**

1. Have collected the Championship Fund (currently 5%) from Horse, Pony, Cattle, Sheep & Goat class prize money for the previous year and forwarded the amount so collected, in full, to the Irish Shows Association within the stipulated period of not more than 30 days from the date of the show. Alternative methods of meeting this obligation are not acceptable. Any show or competitor in breach of the rules set out will be disqualified from participating or competing in these Championships.
2. Undertake to ensure the correct collection and return of qualifier cards and entry fees.
3. These General Rules and those relating to individual championships (where applicable) should be published in the show schedule and catalogue of the participating shows and must be strictly observed.
4. For horse, pony, cattle and sheep qualifiers, qualifying rounds must be at least 10 days before the date of the final. For indoor, poultry and dog finals, qualifier rounds must be at least 7 days before the date of the final.

#### **Responsibility of Shows holding Qualifying Rounds:**

1. Selected Shows should hold a separate class for each qualifier from which the highest placed animals will qualify.
2. Shows must ensure that the qualifiers are held strictly in accordance with the relevant rules.
3. No other sponsor may be involved in qualifying classes.
4. Shows may charge a set entry fee for each qualifying class. The I.S.A. will award a rosette to the successful exhibit(s) on appearance at the final.
5. No show hosting a Championship Final may hold a qualifying class for that championship on the day of the final other than by agreement with the Irish Shows Association.
6. Shows who hold qualifiers for Horses, Ponies, Cattle, Sheep & Goats may ask exhibitors to enter the exhibit in at least one other class at their show on the day. Shows should not undertake to host a qualifier unless they have an equivalent class.
7. Where shows debar class winners from further competitions, this rule must not be applied to qualifiers.
8. Animals qualified for finals are not eligible to enter in any other show class at the show where the final is held, other than a qualifying class for another championship.
9. Shows should appoint competent, well-briefed people to act as stewards, who must ensure that only animals (or other exhibits) which are eligible to compete and whose documentation is in order, are allowed to proceed to the judging ring.
10. On completion of judging, Stewards must inform the successful competitors to visit the Secretary's Office at the show within one hour and complete the necessary paperwork and pay for entry to the final.
11. The show must appoint a well-briefed officer who will be available at the Secretary's Office to assist exhibitors to complete the entry cards for participation in the final and collect the entry fee.
12. Qualifying cards must be fully completed and the qualifying fee paid on the day of the show. Once both conditions are met, then qualifying cards may be signed by board members.

#### **Responsibility of Exhibitors:**

1. Exhibitors accept that the Judge's decision is final in all cases.

2. Any abuse of Judges will not be tolerated. Where a dispute or case for complaint arises, the matter should only be dealt with under 8 below.
3. Exhibitors should be familiar with the Irish Shows Association Disciplinary Policy as published on our website and annual guidebook.
4. Winners of Qualifiers are themselves responsible for entering their qualifiers (or exhibits) for the final in accordance with the rules above, within one hour of qualifying.
5. Winners of qualifiers will compete in the final.
6. The Irish Shows Association in conjunction with the sponsors reserve the right to alter or amend the rules of the competition as may be necessary where appropriate.
7. Shows and competitors must contact the ISA for details of any championships and not the sponsor involved.
8. Objections must be lodged in writing with the I.S.A. representative at the show and the Show Secretary within half an hour following the completion of judging, together with a fee of €50, or other stated fee, which is refundable in the event of the objection being upheld.
9. Any exhibitor who makes a false declaration or misrepresents a fact regarding themselves or their exhibit is liable to disqualification and/or forfeiture of any prizes awarded.
10. If a qualified exhibitor does not turn up to an ISA final without giving prior notice to the ISA office or to a board member, he or she will incur a financial penalty.

#### **Responsibilities of Shows hosting Championship Finals & All-Ireland Finals:**

1. Where shows are paying out prizes for horse, pony, cattle and sheep finals, a deduction of 5% of the prize money will be collected by the show and forwarded to the ISA within 30 days of the Final.
2. Championship finals must start not later than 2pm on the day of the show and the advertised time must be adhered to as far as possible. If necessary, other show classes should be either postponed or relocated to allow for this.
