

To Peter Fitch's Garden ; " Loneacre", Lhanbryde, Elgin, Moray IV30 8LL

1: Coming on the A96 from Keith and on the A98 from Buckie/Cullen:

At the roundabout at the junction of the A96 and A98 outside Fochabers continue in the direction of Inverness along the A96 Fochabers and Mosstodloch Bypass.

About 1 mile after the roundabout at the west end of the Mosstodloch section of the bypass a cycle path crosses the A96 next to a minor road on the left. A few hundred yards after this is a layby on the left hand side of the main road and on the right hand side is the access to Kennishillock Farm and my place Loneacre. This will be signposted "NVS stop2".

2: Coming from Aviemore on the A95 and A941:

At the roadabout at the north end of Rothes take the B9015 to the roundabout on the A96 Mosstodloch Bypass. Take the A96 Mosstodloch Bypass in the direction of Inverness and follow 1. above.

3: Coming from Elgin on the A96: (ie from the walled garden direction)

Continue eastwards on the A96 from the roundabout at the east end of the Lhanbryde Bypass for approximately 1.5 miles (passing Threaplands Garden Centre on the right and then the AA Box at the Loch Oire/Urquhart cross roads) after the crossroads, keep an eye out on the left hand side for a large stone cairn 'Fochabers Estate'. Signposted Kennieshillock Farm, Loneacre, and "NVS stop 2", turn left up the access here.

Important Note: Kennieshillock Farm breeds champion Charolais bulls and so for reasons of animal health arrangements and farm vehicle access **no NVS cars are to be parked in the farmyard or on the farm access.** There should be adequate parking on my side and back drives and in my garage if cars are parked sensibly and carefully.
