

Fantastic
family day out!

GREENMEADOW SHOW

Sunday 11 September 2022

á family show with classes for all'

Welcome to the Greenmeadow Show featuring the 30th Horticultural and Craft Show

Dear Exhibitors and Visitors,

It gives me great pleasure to welcome you to the 2022 Greenmeadow Show programme. After a hiatus of two years I was beginning to wonder if we would ever be up and running again but at last here we are. I hope you have not suffered too greatly during the pandemic and the challenging conditions that lockdown produced. It is wonderful that we are once again able to hold big events and meet one another face to face. We did run a small online version of the show in 2020 but there is nothing to compare to the real thing so I couldn't be happier about the fact that the Show will be back with a bang this year.

This will be our 30th Horticultural and Craft Show but it may only be your first. Don't worry if you have never entered a show like this before. We have classes for all ages and abilities. It does not matter if you are an experienced exhibitor or a first time competitor you are welcome to enter and join us on the day. The friendly Greenmeadow Community Farm team is here to help. If you need any advice or have any queries please do not hesitate to contact us for further information or guidance.

The day itself will be fun for all. As well as all of the exhibits to view (open from 2:30pm) there will be things happening around the Farm and in the main ring throughout the day. Our famous 'Cuddle Corner' will be open, there will be delicious refreshments available from The Honeycomb Cafe and all our usual (and more unusual!) animals to meet and enjoy.

As ever I'd like to say a big thank you to all of our competitors in advance for taking part and thanks to all of our supporters who help to make the Show such a wonderful event.

I look forward to seeing you at the Greenmeadow Show.

Sally Partridge
Director, Greenmeadow Community Farm

The Farm Committee would like to take this opportunity to thank all exhibitors past and present for their support and wish them the best of luck in this year's Show.

Preparation and Presentation

The following tips on preparing and presenting exhibits may be useful:

All vegetables should be properly washed and under no circumstances should oil or any other substance be used.

Beetroots, Carrots and Parsnips should have leaves removed, leaving no more than 3" stalks.

Onions, except small salad onions (Spring Onions), should be shown without tops and with roots trimmed.

Potatoes should be washed and displayed on a plastic plate.

Tomatoes should be uniform in size and must have the calyxes left on.

The organisation accepts no responsibility or liability for any loss of property of any exhibitor and it is the responsibility of the exhibitors for the safe removal of exhibits after the Show.

Any produce not required by exhibitors after the Show will be greatly appreciated and will be auctioned to the public.
