## Transport Links

We Are 336 is located just a short distance from Brixton Tube Station and Brixton British Rail.

**Buses:** To get to We Are 336, you can catch one of the following buses from opposite Brixton Tube Station: 3, 59, 133, or 159. Get off at Villa Road, which is two stops away, and then walk for about one minute until you see a purple sign that says, "We Are 336." The building is the middle and largest of three large buildings, located just before the Esso garage with Tesco Express.

**Car Parking:** There are spaces for blue badge holders only at the front of the building. It is advisable to check availability when you book your place with us.

The nearest on-street parking spaces for non-disabled drivers are in Wynne Road and Robsart Street, SW9.

**Entrance to 336:** There is a lift at car park level. Use the intercom, which is at a suitable height for wheelchair users, to speak to the receptionist, to gain entry. There is also a wide but steep ramp to the front ground floor entrance or six steps.
