

Are you an adult with a learning disability?

Tell us about using everyday technology

We would like you to answer some questions about everyday technology!

This is online and will take about **20 minutes**.

Everyday technology means technology that everyone can buy or use. For example: mobile phones, smart speakers, social media

What will you do?

You will answer some questions about your experiences, thoughts and opinions about using everyday technology.

Your answers will help us:

- understand how people use technology
- find out what is easy and what is difficult
- make better information to help people use technology

By taking part, you can enter a prize draw to win a £50 voucher

Scan the QR code to complete the survey

or type in this web address:
