The **Payments Innovation Forum** (PIF) is a not-for-profit industry body that champions innovation across the payments ecosystem. We work to support the development and adoption of safe, sustainable solutions that meet the evolving payment needs of consumers, businesses, government and public sector organisations. PIF brings together payments industry stakeholders to promote inclusive, future-focused approaches that balance the interests of providers, regulators, and consumers. Through collaboration and thought-leadership, we aim to create an environment where innovation thrives - enabling smarter, safer choices for consumers, and opportunity for the organisations that serve them.

Thank you to our **Members** and **Benefactors** for your continued support.
