

# Leaving a gift to Providence Row.

**How you could make  
your Will for free.**

 **PROVIDENCE ROW**  
HELPING HOMELESS AND VULNERABLE PEOPLE SINCE 1860

# Thinking about the future

---

A gift in your Will could help us to achieve incredible things in decades to come.

The Dellow Centre is the heart of Providence Row supporting more than 1900 people each year. From accessing essential washing facilities or mental and physical health care, to getting a hot and nutritious meal and enrolling in one of our training programmes and finding a job, at the Dellow our clients can start rebuilding a life away from the streets.

All we ask is that, after you've thought about how you'll provide for those close to you, you'll consider including a gift in your Will to support our work in the future too.

It's important to note that by taking advantage of our partnership with The National Free Wills Network, you're not obliged to include a gift to Providence Row.

James was at rock bottom before finding Providence Row, battling addiction had no where to turn. **“I really couldn't see a way out. Now I am clean and I have the support I need I can find a job, get my own place and regain my independence.”**

# The gift of a lifetime

---

Since 1860, people like you have played a vital part in funding the work we do. If that work is important to you too, please consider including a gift to us in your Will.

Because a gift to Providence Row is the most powerful and effective way that you can support our work long term – and create a better world for future generations.

It's also an incredible way to make sure your values, and what's most important to you in your lifetime, can live on for many decades to come.

What's even better is that leaving a life-changing gift doesn't have to cost you a penny now. Through the National Free Wills Network, you could make or amend your Will for free.

**Will you support our work  
in decades to come?**

# How to make your Will

---

Making a Will is one of the most important things we can do during our lifetimes.

When you make or amend your Will, it's important to have a qualified solicitor take care of it for you. A properly written Will makes your intentions clear – and it can protect those close to you from having to deal with complex challenges down the line.

By making your Will through our partner, The National Free Wills Network, you'll be connected with a qualified solicitor that's local to you. They'll help you write or amend a simple Will for free.

If you're considering including a gift to Providence Row when you make your Will, it can be helpful to think about the gift you might want to leave. There are three main types:

- Residuary – A percentage of your estate after your other beneficiaries have been provided for.
- Pecuniary – A fixed sum of money.
- Specific – A particular item, such as property, antiques, jewellery or shares.

Your solicitor will take care of the rest. They'll help you decide what's right for you and make you aware of everything else you need to consider when making or amending your Will.

To be referred to a participating solicitor – or ask any questions about how your gift could support our work in future – please contact us using the details overleaf.

“

I was happy and content with my life and never saw myself in danger of becoming homeless, but it felt like a split second passed and I had lost everything I'd spent years building."

# To get started, get in touch today

---

Once you contact us, we'll send you a special Wills pack from the National Free Wills Network which includes a list of participating solicitors.

We understand too that making or amending your Will is a very personal thing, done at specific times in your life. If you're not ready to make a Will now, please keep this leaflet for when the time is right for you.
