

Day 1	
10:00am	Opening & Welcome Poster viewing with food
10:45 am	Welcome from PSGB president Welcome from Bristol Zoological Society HOD (Conservation) and housekeeping Conservation highlight & direct to merch/raffle
11:05 am	Plenary speaker - Anna Nekaris
Session 1: 15-min presentations	
12:00 - 12:20pm	Lianne Zonnebeld - <i>Evaluating Analytical Approaches to Ranging Behaviour in Single and Mixed-Association PurpleFaced Langur (Semnopithecus vetulus) Groups</i>
12:20 – 12:40pm	Noundja Liyabin et Foléga Fousseni - <i>Reconciling primate protection and local development: a challenge to address around the protected area of togo</i>
12:40 – 13:40pm	Lunch
14:00 – 16:00pm	BZP Site Visit Coach leaves at 13:40 sharp, departs BZP at 16:00 sharp & returns for 4:30pm.
Session 2: 15-min presentations	
16:45 – 17:05pm	Pawel Fedurek - <i>Towards an impactful and ethically robust conservation intervention to eliminate deadly snare traps: an interdisciplinary approach</i>
17:05 – 17:25pm	Manuel L. Fonseca - <i>DNA Metabarcoding Is Not Magic: A Case Study In Woolly Monkeys</i>
17:25 - 17:45pm	Sam Acors - <i>Uncovering the genetics underpinning same-sex sociosexual behaviour in rhesus macaques</i>
17:45 – 18:05pm	Katarina Piponi - <i>Testing for sexual antagonistic pleiotropy for same-sex sociosexual behaviour in rhesus macaques</i>
18:15 – 18:45pm	Close Day 1 & Poster Viewing
19:00pm	Social - Steam Bar

Day 2	
9:00am	Opening & welcome posters with drinks/food
9:35am	Welcome from the PSGB president and Merch & raffle draw info
9:45am	Plenary speaker - Louise Loyant
Session 3: 15-min presentations	
10:40 – 11:00am	Tracie McKinney - <i>Future Directions for forest fragmentation studies</i>
11:00 - 11:20am	Jingyu Chen - <i>Ecotourism or Wildlife Tourism? A Critical Analysis of Emerging Trends in China: Insights from Gibbon Conservation Case Studies</i>
11:20 - 11:40am	Rebecca Scott - <i>Seasonal effects on the gut microbiome of a captive group of Western Lowland Gorillas</i>
11:40 - 12:00pm	Hoby Ambinintsoa Rasoanaivo - <i>Foraging behaviour of Alaotran gentle lemurs in jersey zoo: Exploring their forage food medicinal properties</i>
Session 4: Workshops (1 hour)	
12:00 - 13:00pm	Workshops <ul style="list-style-type: none"> • Daniel Schofield: <i>Advancing Primatology with Visual AI</i> • Heidi Ma, Jingyu Chen, Lisa Chang Lee, and Olivia Chen: <i>Creative conservation for gibbons in China: A storytelling workshop with documentary filmmakers in dialogue with conservation scientists</i> • Ray Heaton: <i>How can we conserve as much diversity as possible in Primate populations? What could be the future for Primate species in terms of genetic health and future evolutionary process.</i> • BZS Welfare Team: <i>Gorilla welfare auditing</i>
13:00 - 14:00pm	Lunch & AGM
Session 5: 15-min Presentations	
14:05 – 14:25pm	Elisa Fernandez Fueyo - <i>What can baboons tell us about the evolution of language? A multi-modal approach to intentionality and flexibility in animal communication</i>
14:25 – 14:45pm	Chloe Coxshall - <i>Is same-sex sexual behaviour a pro-social behaviour in rhesus macaques?</i>
14:45 - 15:05pm	Emma Guimaraes - <i>Quantifying Evolutionary Significance: 3D Modelling of Primate Crania in a Savannah-Mosaic Environment</i>
15:05 – 15:25pm	Isabelle “Apple” Leavey - <i>“Tight Squeeze”: Parturitional Behaviours and the Obstetric Dilemma in Nonhuman Primates</i>
15:30pm	Break

Session 6: 15-min presentations	
15:45 - 16:05pm	Charlotte King - <i>Current shortcomings of using machine learning for wild gorilla kinematics</i>
16:05 - 16:25pm	Lauren Brent - <i>Social ageing in primates</i>
16:25 - 16:45pm	Azizul Hakim - <i>Diet, Feeding habit and Behavioural activity of Rhesus Macaque (Macaca Mulatta) at Charmuguria of Madaripur, Bangladesh</i>
Session 7: Speed talks	
Slot 1	Matt Gardiner - <i>Food sharing in Barbary macaques (Macaca sylvanus).</i>
Slot 2	Luke Collins - <i>Grooming temporality of the socially tolerant crested macaque Macaca nigra</i>
Slot 3	Katarina Almeida-Warren - <i>Primate Archaeology Beyond Technology</i>
17:00pm	Shared Q&A
17:10 – 17:30pm	Closing remarks and raffle draw
