What was today's assembly about?

It was about how Paul became a good man and changed his bad and evil ways. It is about how you can easily change your personality.

What did you like the most?

I like how people got to act out the story. It made it exciting and added a lot of character.

What might you do differently after the assembly?

I might talk more about Spinnaker and how they help people.

What could have been better?

What she could have done better is she could have done a little presentation on the screen.

What was today's assembly about?

Today's assembly was a story about a King who hosted a party but nobody came so instead of sitting down and being upset he sent somebody to call all the towns people no matter if they are poor, sick or rich. The moral of the story was to tell us that God always gives us an opportunity and its our decision if we take it.

I loved how the assembly always relates to a topic that encourages us to do the right thing and always involves the children.

What might you do differently after the assembly?

After this assembly, I will always take any opportunity that God gives to me.
