It has been great to receive some Christian teaching from church representatives in the school especially at a time when we have no vicar at our local church. The assemblies the Spinnaker have delivered have been informative in content and fitted with our collective worship themes. They have made the children think about key questions linked to the theme and reflect on what they believe and why. It is good for the children to hear from others people as well as school staff especially those with a clear faith.

Spinnaker provide well planned collective Worship assemblies . All children are fully engaged and love taking part in the activities. Feedback from parents/ carers indicate that the children really enjoy and learn from the experience. Lisa and her team provide excellent RE days in which the children can explore topics in greater detail. As the school RE coordinator I have found their input invaluable in supporting my colleagues and I in the delivery of the RE curriculum.

Are there additional ways that you feel we could support your school?

The continuation of collective Worship assemblies and RE days is the best way to support our school.

It's great that even as a Christian charity, that the assemblies always make links across other religions. This ensures that the assemblies are diverse, meaningful, cross-cultural and relevant to all.
